

My Love AV014

Features

- **Antibacterial Treatment:** The polypropylene parts feature a built-in antibacterial treatment for lasting hygiene
- **Innovative self-centering system:** the conical shape of the cover simplifies the insertion of the brush and ensures proper closing of the toilet brush
- The toilet brush is suitable as freestanding or wall-mounted. A wall mounting plate is always included
- Replace the toilet brush without touching any unsanitary parts. Simply hold the cover and turn the handle to automatically release the interchangeable part for easy substitution
- Two toilet brushes are included. Additional brushes can be purchased separately (part # RV014)
- Removable inner part in polypropylene plastic with antibacterial treatment: it collects water from the brush and simplifies cleaning
- Base of holder is made out of polypropylene plastic to protect the surface areas and to guarantee a quite set down
- Made of solid brass
- Made in Italy
