

Assembly Instructions

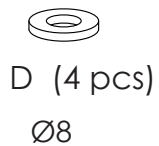

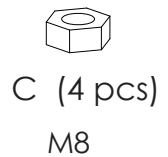

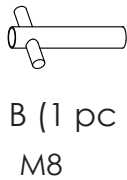

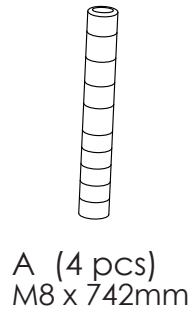

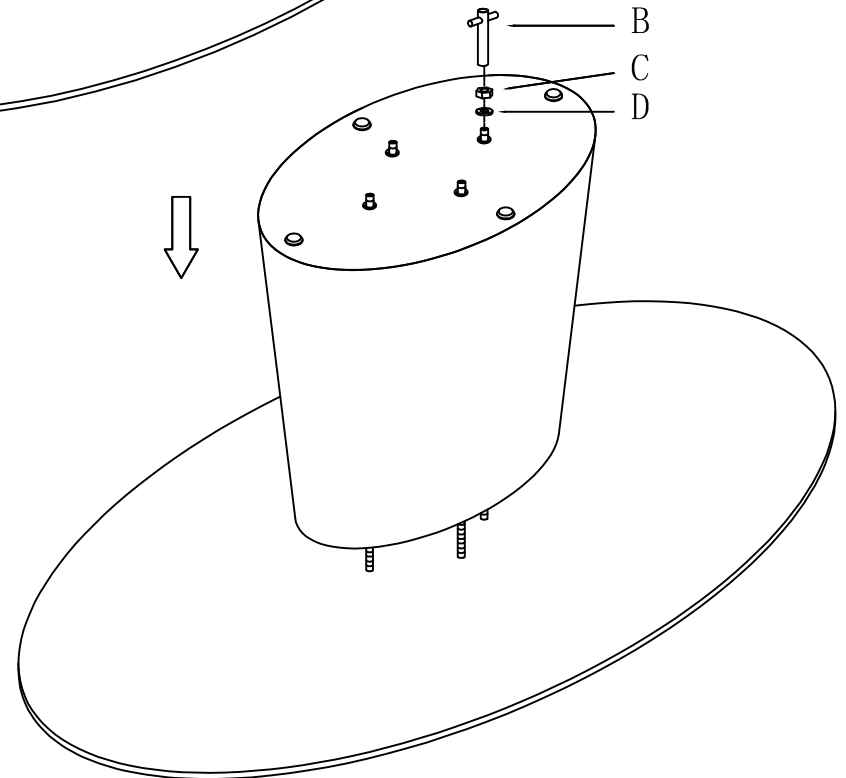

PLEASE NOTE: Check that you have received all components and hardware before assembling. If you are missing any parts, contact your retailer.

1

Note: Make sure the painted end with indentation in the metal rod goes into the top first, when installing the rods. The indentation will prevent the rod from going too far into the top and prevent damage.

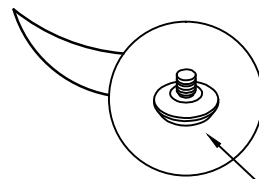

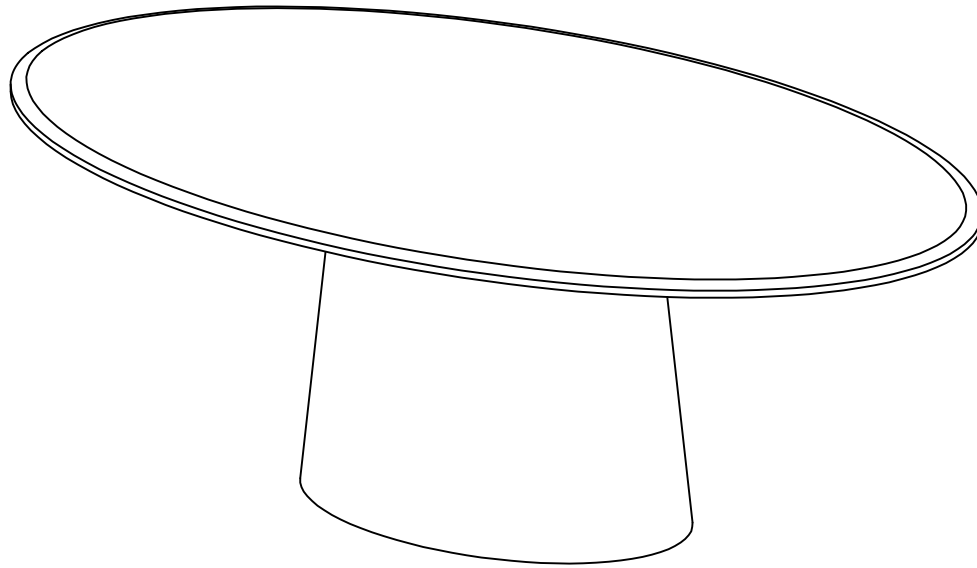

2

During assembly, hand tighten screws only. When the screws are in place, tighten completely.

Assembly Instructions

PLEASE NOTE: Check that you have received all components and hardware before assembling. If you are missing any parts, contact your retailer.

NOTE: If the table is wobbly, the plastic feet (4 pcs) can be adjusted as needed. Turn right to bring the feet in, or turn left to bring the feet out more.

During assembly, hand tighten screws only. When the screws are in place, tighten completely.
