

Installation Instructions

1 Desktop

4 Screw parts

2 Hourglass table legs

3 Acrylic table legs

5 Power strip

Screw parts

Step1

First install the acrylic table legs. Flip the tabletop upside down, align acrylic legs with pre-drilled holes, then secure using screws from the accessory pack.

Screw parts

Step2

Next, install the hourglass-shaped table legs. Align them with the pre-drilled holes and secure with screws from the accessory pack, same as before.

Power strip

Step3

Finally install the power strip.
Insert it into the rectangular cutout
at the corner of the tabletop. Route
the wire through the hourglass table
leg to connect to the power supply.
