

HEIGHT ADJUSTABLE FLIPPER DESK

Sit/Stand Student Desk (28.5" – 45")

Give your students the power of choice.

Adjustable height desk accommodates sitting and standing work.

HEIGHT ADJUSTABLE FLIPPER DESK

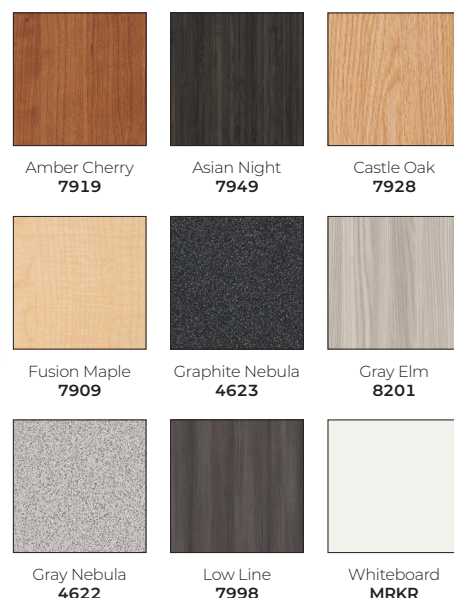

- Specially designed to easily accommodate a range of ages and sizes, the Height Adjustable Flipper Desk is one of the most flexible desk systems on the market.
- Desks adjust from 28.5" to 45" high to allow easy viewing with stadium style seating. Desks can be used with chairs, stools, or while standing, allowing students to choose the most comfortable position, promoting active learning and improved focus.
- Features a 1" thick HPL top available in multiple laminates and edgebands. Tops flip back with a simple one handed lever mechanism to allow for easy transport and nesting for compact storage.
- Tops are available in three fun and functional shapes: fender by MooreCo, beluga, and rectangle. Desks can be used individually or joined together for group pods, easy to set up for collaborative activities.
- Black powder-coated steel frame includes a stabilizing stretcher bar and 2" casters (two locking).
