

Alvantor® SET UP INSTRUCTION

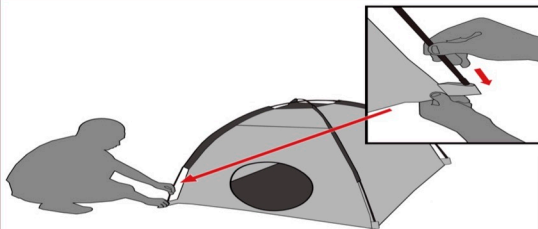

www.alvantor.com

— x2

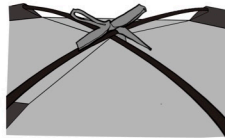

Step 1: Insert poles into sleeves as shown.

IMPORTANT NOTE: Do not insert the ends of the poles into the corners of the tent until **BOTH** poles have been inserted into the tent sleeves.

Step 2: Insert the end of poles into the corners of the tent

Step 3: Tie the string on the top of tent to secure both the poles.

IMPORTANT: The assembly and storage of your product should be carried out by a responsible adult.
Children should be supervised at all times!
