

MARBELL Nea

4PC DIE-CAST STOCKPOT SET

20CM - 24CM - 28CM - 32CM | MARBLE EFFECT COATING | VORTEX BASE

Professional Quality Cookware

With the four-piece stockpot set, from the SQ Professional's Nea Marbell Range, you can achieve professional quality cooking results, for a wide variety of dishes, whilst bringing a unique style to your kitchen.

MARBELL Nea

Exclusive Vortex Base

The innovative Vortex base, incorporated into the 4pc Nea Marbell Stockpots' design, has been expertly crafted to cook food in a superior and more efficient manner than regular pots. The specialist construction captures and retains heat, making it extraordinarily efficient and offering supreme heat distribution, constantly. With this exclusive feature you can effortlessly achieve high-quality cooking results, which have been thoroughly and evenly cooked to perfection.
