CUSTOMER SUPPORT

Dear customer

Thank you for your purchase.

This product is a non-permanent outdoor structure designed and manufactured for personal use rather than commercial use.

Please confirm whether the installation is permitted in your states firstly.

1. When you receive the product, please make sure that all the boxes have arrived, and all the parts are intact.
2. Please browse the entire installation manual before assembling, retain this instruction manual for future reference.
3. If any problem occurs unsatisfactorily as follows:
 - Lack of boxes, or some boxes are not arrived.
 - The outer box is damaged.
 - The product is damaged / bent / cracked while you open the box.
 - The parts / accessories / assembly tools are missing.
 - The product is hard to assemble.
 - The instructions are not clear, or hoping for assistance with installation.
 - The product has functional problems.
 - The product did not meet your expectations.
 - Other aspects that you are not satisfied with.

Please feel free to contact us for help firstly. If there is any damage, please send us clear photos. We will check and do our best to provide the best solution for you. The missing or damaged parts will be delivered to you within 5 days.

ATTENTION

PREPARATION:

The gazebo needs to be installed in cooperation with **three people**.

Estimated Assembly Time: **3 Hours**.

Site preparation suggestion: Level the ground surface, construct a wooden or concrete base as a foundation.

The following installation tools will be used.

2 m Adjustable Ladder

Tape Measure

Screw Driver

Pistol Drill

gradienter

Hammer

gloves

3 people

Minimum foundation size:

If your foundation is made of hardwood or concrete, Use an 8 mm diameter drill bit to drill holes in the foundation, with the depth exceeding 40 mm.

11 FT

Use the expansion bolts that are pre-con gured with the product to secure it in place. This installation methods will provide better wind resistance performance, extend the product's lifespan.

ATTENTION

CAUTION:

1. Tighten each bolt firmly and properly. Do not completely tighten the screws until all screws are started.
2. Some parts may contain sharp edges. Wear protective gloves in the box as necessary.
3. Children under the age of 16 should not be engaged in the assembly, removal or disassembly of the product.
4. It is strongly recommended to hire a professional installation team.

WARNING:

1. Children under the age of 10 should be supervised by a competent adult while using this furniture.
2. Please keep children out of the assembly area during assembly.
3. Never use this product as a support. Do not shake, lean, or climb on the product any time.
4. Please take appropriate measures to deal with the bad weather. Heavy rain, wind and snow may damage the gazebo. If necessary please dis-assemble and store for later use.
5. In snowy weather, please ensure that the thickness of snow on the roof does not exceed 5 inches, If it does, please remove the snow as soon as possible to ensure safety.
6. When the wind force reaches scale 8, please take corresponding measures to reinforce the gazebo to prevent it from being damaged by the wind, and be cautious of safety issues during strong wind conditions.
7. It is necessary to use anchor bolts, expansion bolts and ropes to fix the gazebo to the foundation for Long-term stability.
8. We offer a one-year warranty, excluding damages caused by improper installation, incorrect usage, failure to use the fixing accessories, unclean snow, or failure to take preventive measures.
9. Stay away from open flames.

PARTS LIST

1. Please ensure that all parts, accessories and installation tools are complete before starting the installation.
2. Due to the variety of accessories, some parts may be glued together, some parts may be trapped inside the larger ones, please check carefully.
3. In case you cannot find or lose some small parts or screws during installation, we have provided extra parts.
4. If any accessories are missing or damaged, please contact us immediately.

Installation Completed

To improve wind resistance, **be sure to complete this installation step. If expansion screws or ground nails are not installed, strong winds may topple the gazebo.** Expansion screws are essential for stability on cement surfaces, and ground nails are for grassy surfaces. All are included in the accessories package.

9 X 12

14 X 12

27
STEP

6 X 4

This installation step can further enhance wind resistance when used on grass. Use ropes to connect with reinforced ground nails at the four corners of the gazebo, straighten the ropes and insert the reinforced ground nails into the grass.

Ropes and reinforced ground nails are included in the accessory pack.
