- (H2) Handle Screw

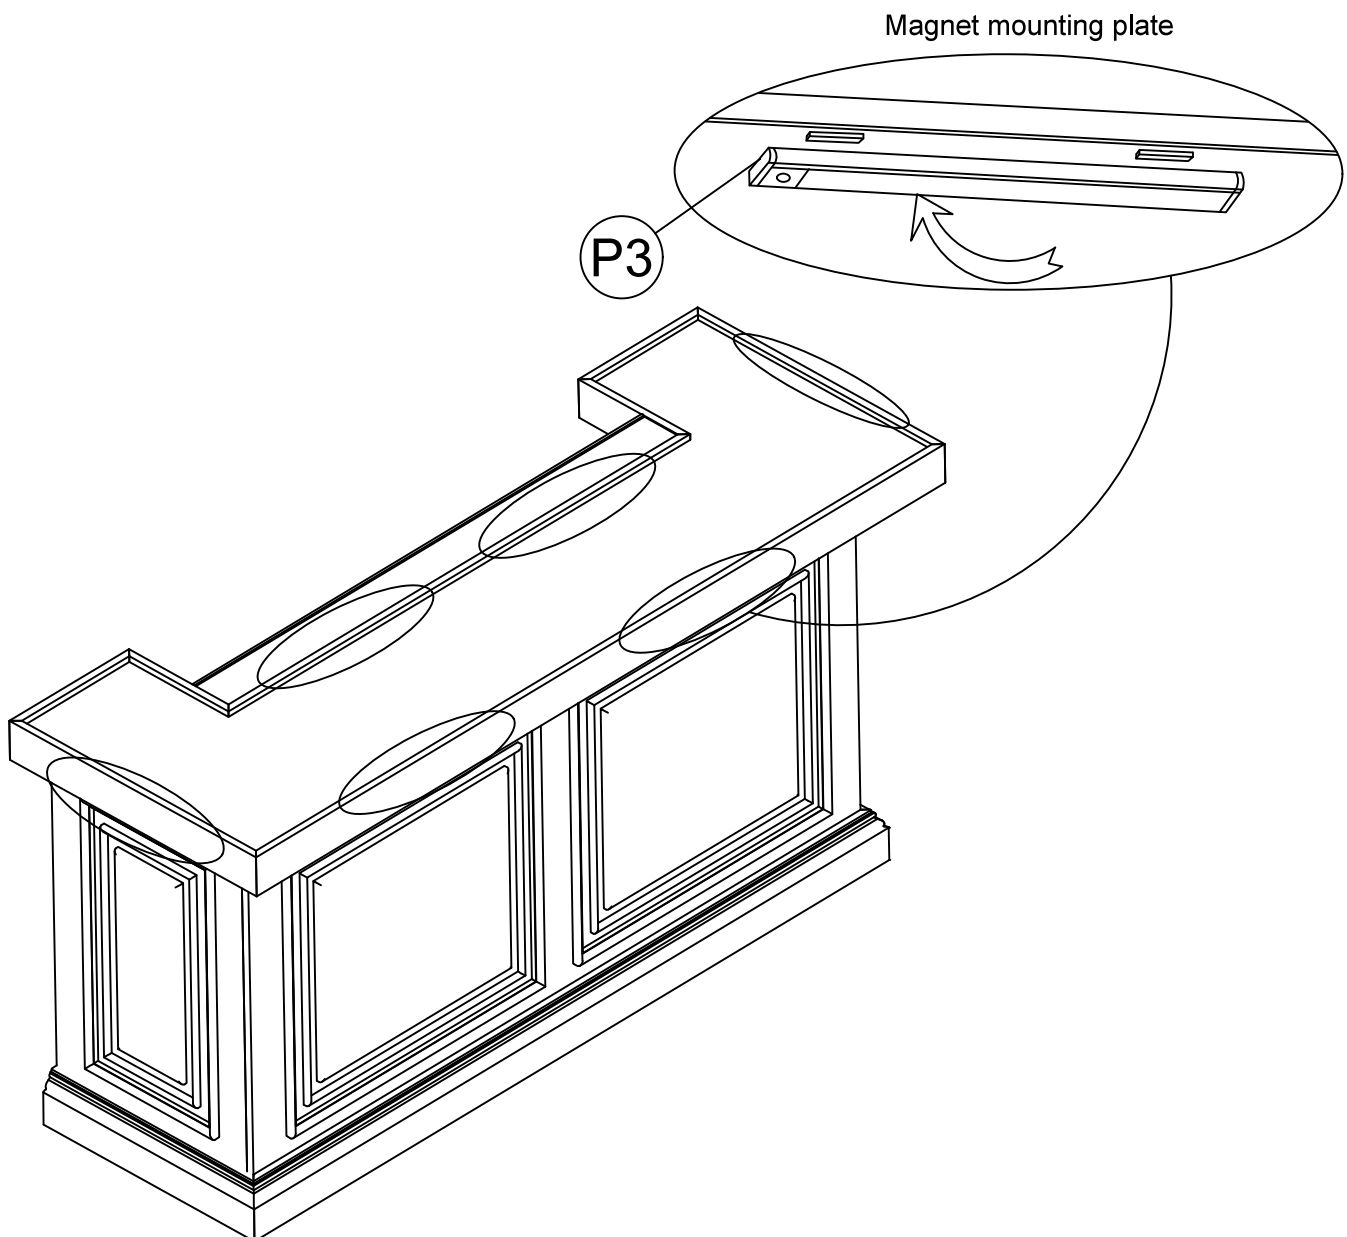

ASSEMBLY INSTRUCTIONS
LAWRENCE BAR

STEP 3

Assembly LED light undersneath of bar top. Detail please see next page.

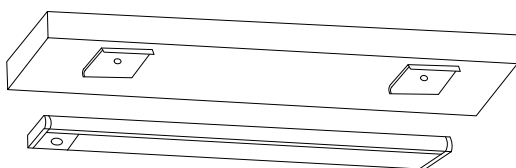

ASSEMBLY INSTRUCTIONS
LAWRENCE BAR

Installation and Usage of LED light

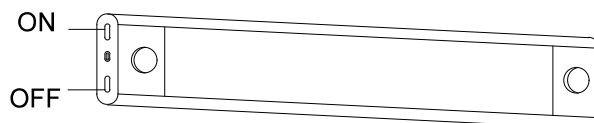

- Step 1

- Step 2

- Step 3

Step 1: Attach the motion sensor light to the magnetic mounting plate. Verify that the installation is secure and the light is level with no tilting.

Step 2: Installation complete. (The light attaches magnetically to the plate, allowing for easy removal or secure mounting.)

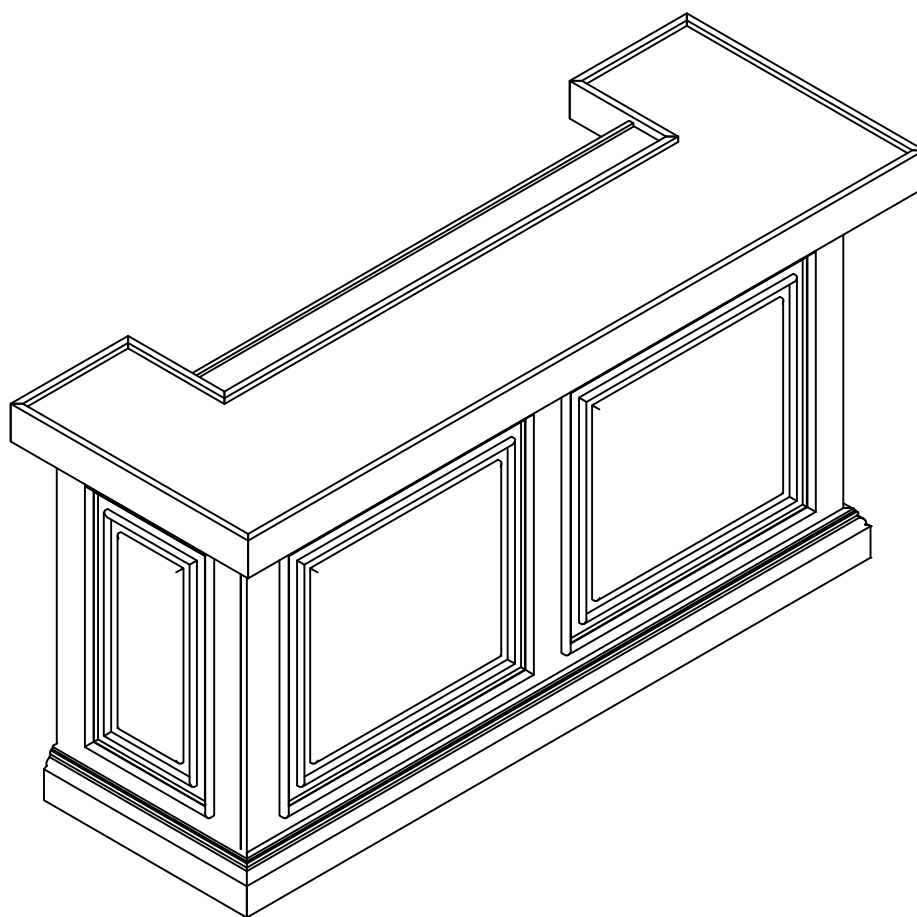

Step 3: Turn the light "On"

Precautions

1. Fully charge the device before first use. Otherwise, the circuit protection may prevent the light from turning on (protection will be automatically disabled after charging).
2. Use only safety-certified mobile phone adapters for charging.
3. Keep away from fire sources, humid or high-temperature environments. Keep out of reach of children. Do not disassemble or repair the device by yourself.

LAWRENCE BAR

CARE & MAINTENANCE

- Dust wood surfaces with a soft, dry cloth.
- Do not use abrasive cleaners, scouring pads, or harsh chemicals.
- Wipe up spills promptly to prevent damage to the finish.

ASSEMBLY IS COMPLETE
