

HOW TO: INSTALL THE INTRIGUE

1. Place the top of the Intrigue unit into your umbrella hole.

2. Install 2 D Cell batteries into the base of the unit.

3. From the bottom of the table, lift the base of the unit to attach it to the top. Match up the holes on the stem of top with the spring loaded buttons on the base of the unit.

4. Next install the 1 lb. LP tank and close the door.

5. Light the intrigue by simply flipping the switch on the base to the "on" position.

6. Watch the flame come to life!

7. To un-install simply press the spring loaded buttons, lower the base, and remove.
