Assembly

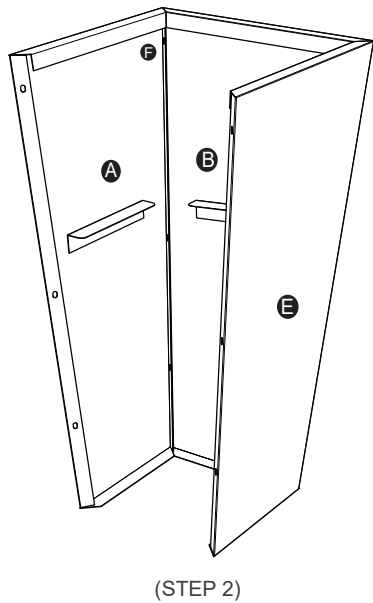

- 1

As shown in the figure: Align board A with board B and fix it with 3 screws F.
NOTE: Sometimes the screws can get misaligned, as shown in which can cause the panels to misalign. Please turn the screw in half and adjust to the correct position, then lock the screw.

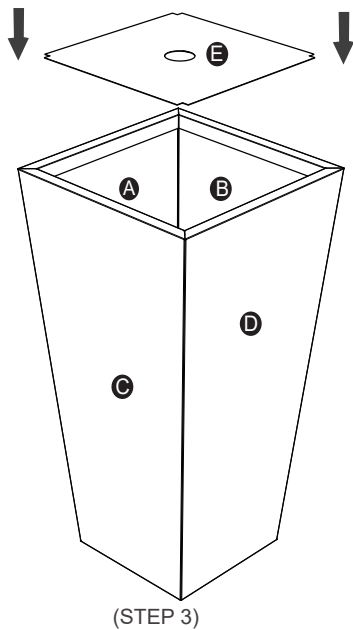

- 2

As shown in the figure: Align board E with board B and fix it with 3 screws F.

- 3

As shown in the figure: Align board C with board A/D and fix it with 6 screws F. Put the E board into the box.

- 4

As shown in the figure: will get a perfect planter box.
