INSTALLATION GUIDELINES

1. We recommend that two people assemble the product with for ease and safety. This allows for better handling of larger components and reduces the risk of accidents.
2. Before assembling, please make sure that you have checked all the parts and no parts are missing.
3. Do not tighten up all the screws until each part is properly assembled.
4. To avoid giving you a bad installation experience, please follow the steps in the instructions, and carefully distinguish the screws and boards.
5. To avoid choking hazards, please keep small parts and packaging materials away from children.
6. Adult assembly is required. Keep children away during installation.
7. After the installation is completed, you can use cotton cloth to clean the shelf.
8. We provide free lifetime warranty. If you have any questions, please contact us, our email address is on the cover.
