WARNING

Read these instructions carefully and retain them for future use.
If this product is passed to a third party, then these instructions must be included.

⚠ WARNING To reduce the risk of burns, fire, electric shock, or injury to persons:

- Read all instructions before using the furnishing.

⚠ DANGER To reduce the risk of electric shock; always unplug this furnishing from the electrical outlet before cleaning or servicing.

⚠ WARNING Risk of injury! Keep children away from the foot support.

⚠ CAUTION Risk of injury and fire! Connect only to the furnishing specified in this instruction manual.

- Unplug from outlet before putting on or taking off parts.
- Close supervision is necessary when this furnishing is used by, or near children, invalids, or disabled persons.
- Use this furnishing only for its intended use as described in these instructions. Do not use attachments not recommended by the manufacturer.
- Never operate this furnishing if it has a damaged cord or plug, if it is not working properly, if it has been dropped or damaged, or dropped into water. Return the furnishing to a service center for examination and repair.
- Keep the cord away from heated surfaces.
- Never drop or insert any object into any opening.
- Do not use outdoors.
- Do not operate where aerosol (spray) products are being used or where oxygen is being administered.
- To disconnect, turn all controls to the off position, then remove plug from outlet.
- To reduce the risk of electric shock, this furnishing has a polarized plug (one blade is wider than the other). This plug will fit in a polarized outlet only one way. If the plug does not fit fully in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician to install the proper outlet. Do not change the plug in any way.

Battery Warnings

- Exhausted batteries should be immediately removed from the remote control and properly disposed.

SAVE THESE INSTRUCTIONS

Intended Use

- This furnishing is a motorized bed base with a wireless remote intended to hold and adjust the position of a mattress.
- This furnishing is intended for household use only. It is not intended for medical or therapeutic use.
- This furnishing is intended to be used in dry indoor areas only.
- No liability will be accepted for damages resulting from improper use or non-compliance with these instructions.

Before First Use

- Check the furnishing for transport damages.
- Remove all the packing materials.
- Before connecting the furnishing to the power supply, check that the power supply voltage and current rating corresponds with the power supply details shown on the specifications.

⚠ DANGER Risk of suffocation! Keep any packaging materials away from children – these materials are a potential source of danger, e.g. suffocation.

Specifications
