

ASSEMBLY INSTRUCTIONS

PLS NOTE: THE BUTHER BLOCK TOP HAS BEEN TREATED WITH SYNTHETIC OIL, WHICH WILL ENHANCE THE GRAIN OF THE WOOD.

BUT, MOST IMPORTANTLY, THIS TREATMENT WILL ASSIST IN MINIMIZING POTENTIAL CRACKING OF THE WOOD.

WE STRONGLY RECOMMEND TREATING THE TOP ABOUT EVERY 6 MONTHS, IN ORDER TO MAXIMIZE THE LIFE OF YOUR ISLAND.

WHEN YOU APPLY OIL, PLS BE SURE THAT THE OIL IS SAFE FOR CONTACT WITH FOOD.

Do not use vegetable or olive oils because they can turn rancid. Food Grade Mineral oil remains safe throughout its life. There are various oils available for cutting boards and butcher blocks. Some are called "Butcher Block Finishes" or "Mystery Oil." Save some money by visiting the local hardware or drug store and purchasing Mineral Oil. (not mineral spirits - this is paint thinner)

When you see the words "food safe finish" in a description of a wood product, this generally means mineral oil has been used. Simply wipe mineral oil on the surface of your board and watch it soak in. When the wood won't take any more oil, you can wipe off the excess with a clean dry cloth. Don't worry about applying too much oil - more is better.

BEFORE ASSEMBLY

IMPORTANT NOTE:

- Place all wooden parts on a clean and smooth surface such as a rug or carpet to avoid the parts from being scratched.
- Remove all wrapping material, including staples & packing straps before you start to assemble.
- DO NOT tighten all screws and bolts until completely assembled.
- Keep all hardware parts out of reach of children.

WARNING:

Long exposure to rubber or soft plastic may cause a chemical reaction and damage the finish of your product. Protect the surface of the product with cloth if you are using any product with rubber feet or base.

ASSEMBLY TOOLS REQUIRED NOT INCLUDED

PART LIST

When unpacking, please be careful not to discard any parts with the packaging. Before continuing, please make sure you have the following parts:

NO	Description	Qty	Sketch	NO	Description	Qty	Sketch
A	Top	01		B	Leg (L-R)	04	
C	Shelf	01					

HARDWARE LIST

When unpacking, please be careful not to discard any parts with the packaging. Before continuing, please make sure you have all of the following hardware:

NO	Description	Qty	Sketch	NO	Description	Qty	Sketch
1	Flat washer (Φ8.5x19mm)	8		2	Lock washer (Φ8.5x13mm)	8	
3	Hexagon nut (M8x13mm)	8		4	Wrench (13mm)	1	
5	L-Bracket	4		6	Long screw (M6x20mm)	16	
7	Short screw (M3.5x15mm)	8		8	Caster With Lock	2	
9	Caster Without Lock	2					

STEP 1

Attach Legs (B) to the Top (A), with washers (1) and (2) and Nut (3). Tighten with the Wrench (4), Then attach the shelf (C) to the legs with screws (7) and L-Brackets (5), as shown below. Tighten with a screwdriver.

STEP 2

Attach Casters (8) and (9) to the bottom of legs (B) by using Screws (6), as shown below. Tighten with the screwdriver.
