

Assembly Instructions

MISSISSIPPI 1.5M TABLE

Parts List	Quantity
Table Top	1
Table Leg	4
Centre Plate	1
Lazy Susan Assembly	1
Short Bolt	8
Long Bolt	8
Spring Washer	16
Flat Washer	16

ASSEMBLY

We suggest you assemble this item on a soft surface to protect the finish. Two people are required for this assembly.

Step 1. Place the tabletop face down on a soft flat surface. Attach the legs to the table using 8 short bolts, spring and flat washers. Ensure the spring washer is fitted between the flat washer and the bolt head. Finger-tighten only.

Step 2. Place the centre plate between the four legs. Align the holes and use the 8 long bolts, spring and flat washers (in the same order as above) to attach to the legs. Finger-tighten only.

Step 3. When all the bolts and washers are in place, carefully tighten all bolts, but DO NOT over tighten. We recommend you tighten the bolts on the table top first, then the centre plate. Tighten the bolts in a diagonally opposite order.

Step 4. Using 2 people, turn over the assembled table. Use the nuts and bolts already attached to the Lazy Susan assembly to secure to the table top. The Lazy Susan should move freely.

Caution:

This unit is manufactured of cast aluminium parts and is brittle. DO NOT force any part of the assembly and DO NOT over-tighten the bolts. This could result in serious damage.
