

**Tech Tub®**

Model: TEC600C

**Tech Tub®**

Model: TEC600C

**Warranty:**

Lifetime tub and lid warranty

One-year component warranty (excludes devices and electrical cords, etc.)

**Physical Specifications:****Lid Closed, Lid Padlock and Locking Pin Not Included (Minimum Dimensions)**

15.8" H x 12-1/2" W x 16-1/8" D (40.0 cm H x 31.8cm W x 40.9cm D)

**Lid Open, Locking Pin Included (Maximum Dimensions)**

28-3/8" H x 13-3/4" W x 32-1/2" D (72.0cm H x 35.0cm W x 82.7cm D)

**Product Features:****Cable Management:**

Designed for teachers to organize their classroom's device cables quickly and easily. Simply plug the device cable into the power strip, store excess cable underneath and feed cable head through to corresponding slot for device outlet. For more information and video assistance on how to organize your cables using the Cable Management Pocket, visit [www.copernicused.com/help/default.aspx](http://www.copernicused.com/help/default.aspx)

**Supports a Variety of Chromebooks:**

The Tech Tub®'s new adjustable divider system allows you to store a variety of device sizes. Check to see if your Chromebook is compatible at [www.copernicused.com](http://www.copernicused.com)

**Highly Durable, Heat Resistant Plastic Design:**

The tub, lid, dividers, and power strip brackets of the Tech Tub® are made of a special injection molded ABS polymer that is both stronger and more resistant to heat than our line of Royal® Storage Tubs. The molded Cable Management Channel is designed for long-lasting durability while the divider rails and spacers have been designed to ensure that your divider setup stays in place.

**Ventilation:**

The Tech Tub® has ventilation holes throughout that allow warm air from charging to escape and keep devices at the optimal room temperature.

**Overmolded Lock Hump:**

This overmolded, steel lock hump provides increased security for your devices. Simply close the lid and use a padlock to keep it locked.

**Internal Power Strip:**

Easily charge all of your devices at once with the internal 6-outlet power strip. The power strip offers surge protection for your devices from lightning storms, etc. Cable hooks on the Tech Tub® help keep the 8-foot cable wrapped and organized during transportation.

- Size: 9-5/8 x 1-3/4 x 1-1/2" (24.4 x 4.5 x 4.0 cm)
- AC Rating: 125V 15A 60Hz
- Circuit Total: 900 J
- Clamping Voltage: Type3 SPD 500V(L-N)(L-G)(N-G)
- Outlets: 6 Right-angle NEMA 5-15R
- Cable: 14-gauge thickness, 8 ft. (2.5m) length
- On/Off switch with built-in circuit breaker
- Conformance: UL, CUL

**Locking Block and Locking Pin System:**

Secure your Tech Tub® within the classroom with the Locking Block and Pin system. Simply mount the Locking Block to a table, desk, counter, or any other flat surface found around your room. Then slide the Tech Tub® over the Locking Block and slide the Locking Pin through. Lock with the supplied padlock on the other side. The Locking Block system is designed to mount to a maximum surface thickness of 50mm or 2". Installation is optional.
