I Never Want To Come Down 1

D2527S50530-4064

I Never Want To Come Down 1 is a large-scale abstract print that focuses on the elements of mass and shape. Here, mass is rendered in a large biomorphic shape that fills the picture plane thus giving the illusion of being a three-dimensional object. A smaller shape rests at the bottom of the frame. The heavy outlining of the shapes adds a focal point and the simplified color scheme in drab olive green and rose champagne offer depth.

A pleasing blend of abstract forms and graceful neutrals, I Never Want to Come Down 1 is a beautiful work of art on textured paper. Part of the carefully curated ART by TA Collection, this original piece pairs elegantly with I Never Want to Come Down 2.
