

1 PIECE RECLINER SLIPCOVER INSTALLATION GUIDE

▼ 2 SEATER RECLINER COVER GUIDE ▼

STEP 1

Drape the cover on the recliner furniture (Find the black loops on the back of the slipcover that connects to the elastic strap, and place the longer side above the recliner.)

STEP 2

1. Locate the two seams between the armrest and seat and adjust the cover to align it. Repeat on the other side.
2. Tuck the excess fabric in the middle of the sitting area into the gap between the seats, and then tuck with foam strips.

The metal head of the strap attaches to the black loops on the top cover

Fixed Buckle/(Connector)
The connector is used to connect the two black bands running through the back of the recliner

STEP 3

1. Fasten the straps to the back of the recliner to secure the furniture cover, then adjust the length of the straps to fit snugly against the back of the recliner to avoid falling off.
2. Tuck elastic bands at each side into the gap between the back and arm, and attach the bands on the back with fixed buckle to reduce the sliding of the seat cushion.

STEP 4

After 1 piece recliner cover are installed, a brand new recliner sofa will appear in front of you. With this cover can easily protect your recliner from accidental stains, and making your furniture more unique and welcome.
