

1. PRODUCT LIST

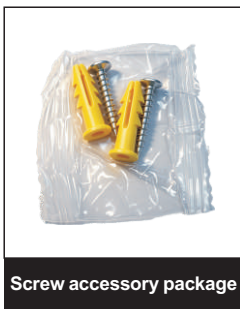

1x Lamp Body

1x Wall lamp holder

2x Wall lamp mounting nut

Screw accessory package

2.MAIN TECHNICAL SPECIFICATION

- Dimensions 10"(L)x 9"(W)x 21(H)
- Light Color Warm White (3000K) + Cool White (6500K)
- Sensor Dusk to Dawn Sensor
- Battery 3.7V/4000mAh
- Charging Time Approx. 8 hours
- Working Time Approx. 10 hours (If Get Enough Sunlight)
- Material ABS + Glass
- Color Black / Antique-brass

3.HOW IT WORKS

In the daytime the solar panel on the lamp top absorbs sunlight which charges the battery. At night the light turns on when the dusk-to-dawn sensor is triggered, and the battery powers the light.

4.CAUTION

- Before operating the solar light for the first time, the unit must be switched off and exposed to sunlight in order to fully charge the battery.
- Install the solar light in a location which receives full, direct sunlight for a minimum of 8 hours per day to ensure that the battery in the light unit is kept charged.
- The solar light should not be installed near strong sources of light such as streetlights/house lights. These light sources can trigger the internal dusk-to-dawn sensor and turn the solar light off.

Landscape Light Instructions

Please charge under direct sunlight for 4 hours prior to first use.

INSTALLATION INSTRUCTION

WALL LAMP INSTALLATION DIAGRAM

(If possible, find a professional staff to install the lights)

Schematic diagram of lamp installation

Lamp Installation
Completion Diagram

- ① First, assemble the lighting fixtures.

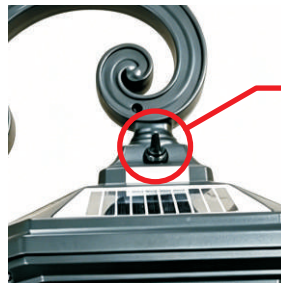

- ② Use a 6mm impact drill to drill four small holes on the surface

- ③ After drilling the hole, drive in the expansion pipe

④ Wall lamp Installation diagram

The lamp body switch controls
The color of the light

- ① One side of the lamp body switch is white light, the other side is warm light, and the middle is for turning off the lamp
- ② For the first use, adjust the color light first. After that, there is no need to touch the switch. The light will turn on automatically when it gets dark and turn off automatically when it gets light
