PRODUCT DESCRIPTION

Modern minimalist armchair with **casters**. Features a plump, rounded form with smooth lines. The thick, integrated back and arms create a soft sense of enclosure. Four swivel casters add a visual blend of **comfort and flexible mobility**, allowing it to blend easily into various home settings.

A core seat for **multiple scenarios**, a movable comfort station. Its caster design breaks the spatial limits of fixed seating, allowing it to easily serve as a **flexible study chair**, a cozy dining chair, extra living room seating, or a bedside chair, perfectly adapting to dynamic home life needs.

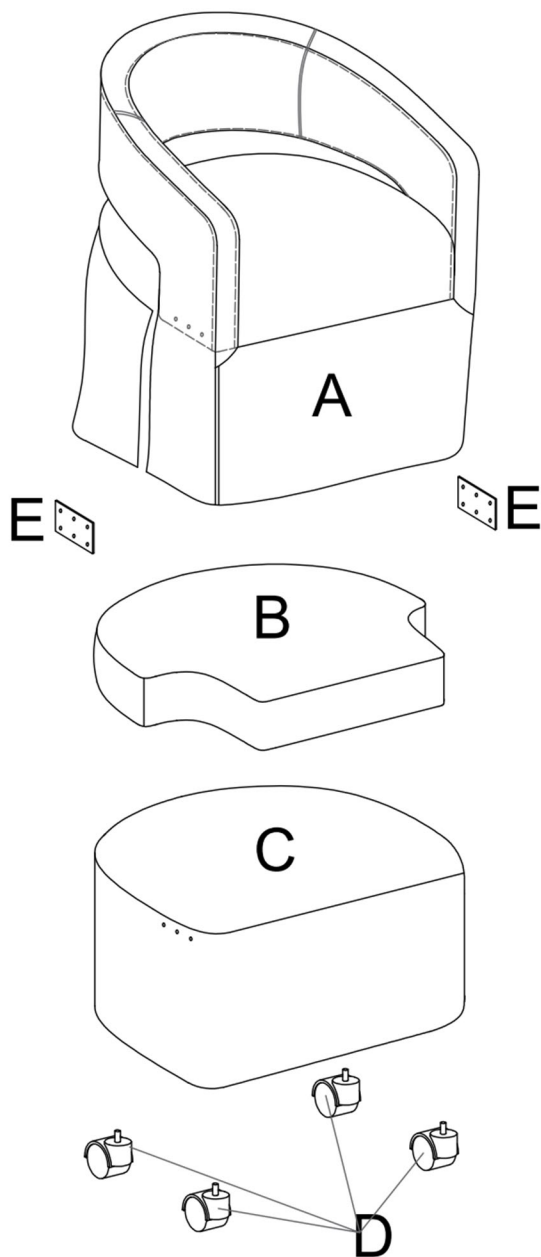

Velcro under seat cushion: The cushion is securely attached to the seat via velcro, effectively **preventing slipping or shifting** during use or movement, maintaining a neat appearance.

Chenille fabric. Exceptionally soft, fluffy, and warm to the touch with a fine, plush surface. It offers excellent **skin-friendliness** and **warmth**, significantly enhancing the product's coziness and comfort, and infusing a soft, relaxing ambiance into the home.

Equipped with swivel casters: **Features 360° smooth**, quiet-rolling casters for effortless movement, easy repositioning, floor cleaning, or transitioning between rooms (e.g., living room, study, dining room), enabling "one chair, multiple uses".
