Capture the warmth of a sun-drenched, south-of-the-border holiday with our Colorplay Fluted Nautical Blue 4.5" x 18" ceramic tile. Crafted in Spain, this tile's deep Blue glaze washes over its ridges, gently pooling in furrows for a handmade look and feel. Subtle crackle lines and a chiaroscuro effect enhance its character. This scaled-up, subway-like tile is perfect for kitchen backsplashes, fireplaces, bathroom walls, and more.

COLORPLAY

Colorplay is an exceptional tile with an exquisite glaze. The finish is only the beginning. An uncommon reactive glaze adds depth to this collection's soft neutrals as well as its brilliant colorways. Relief patterns lend dimensionality to surfaces that love the light and the shadows. Scaled-up sizes are reminiscent of subway tiles, only grander. Use Colorplay for a paneling effect to create a statement wall anywhere in your home.
