WARNING

Recommended Maximum Weight

General Guidelines

- .Please read the following instruction carefully and use the product accordingly.
- .Please keep this manual and hand it over when you transfer the product.
- .This summary may not include every detail of all variations and considered steps.Please contact us when further information and help are needed.

Notes

- . This unit has been designed to support the maximum loads shown. Exceeding these load limits could cause sagging, instability, product collapse, and/or serious injury.
- .The product is intended for indoor use only. The product must be assembled and used in accordance with the provisions of this manual. Personal injury and/or damage to product may occur if products are used outside of their intended purposes and/or if products have been changed/modified from their original design. The seller does not assume any responsibility or liability with respect to any injury/damage caused by incorrect assembly or improper use.
- .Avoid long-term exposure to humid environments to prevent mildew.
- .Keep the product away from fire sources and high temperatures. Do not expose this product to direct sunlight.
- .Do not place any hot project on the surface of the product.
- .If there are any defective or missing parts after unpacking, please cease assembly immediately and contact us.
- .It is important that each step is performed in correct order to avoid difficulties.
- .Please assemble the item on a spacious surface and do not place the unwrapped product directly on the ground to avoid product damage.
- .Please do not stand or sit on the wooden boards.
- .Please wear gloves during the assembly and/or disassembly process to avoid scratches from any sharp edges.
- .Please match the corresponding part and fitting based on the part number in the manual.
- .If the part does not match with the fitting, please check the pieces as specified in this manual.
- .During assembling, firstly loosely align all screws with corresponding pre-drilled holes and then tighten the screws one by one.
- .Periodically inspect screw tightness while the product is in use.If necessary, retighten to ensure structural integrity.
- .If you accidentally spill water or another liquid on the surface, immediately wipe clean with a dry towel.
- .Please keep the product away from sharp, pointed objects and corrosive substances to prevent product damage.
- .Please place this item on level, solid ground during use.

Warnings

- .During assembly, keep all small parts out of the reach of children.It may be fatal if swallowed or inhaled.
- .Children should not climb or play on this product in order to avoid tipping over the furniture and causing serious injury.
- .To avoid the potential dangers of suffocation, please keep all parts and packaging(film, plastic bags,foam,etc.) away from babies and children.
- .Keep sharp objects and corrosive items away from the product to avoid any damage or injury.
- .Do not shake or move violently during use to avoid tipping over the product.
