

233364-001

Tomlin Outdoor Coffee Table-Teak Root | **NEW** | \$615.00 Your Cost

OVERVIEW

A unique layering piece — indoors or out. Made from laminated teak root with miter joinery, a simply shaped coffee table offers organic vibes and plenty of natural movement. Tables will vary from piece to piece, reflective of natural materials. Joint expansion may grow visible over time. Cover or store indoors during inclement weather and when not in use.
