Q: I received an incomplete product and the packaging was damaged. What should I do? A: Please contact us and inform customer service that the name and quantity of the goods are missing the parts you need. We will provide you with a substitute after confirmation. If the packaging is damaged, please send us some pictures and we will do the same thing. Thank you!

2.

Q: I have received some bent parts that cannot connect both sides. What should I do?

A: If the bending is not serious, you can continue to install, if the bending is serious, please send pictures to contact customer service. We will arrange a new fitting replacement for you.

Please feel free to **send us the text or email**. We will reply to you within 24 hours. Also please feel free to contact us if you have received the defective items. Due to time zone differences, please use email as your first choice to communicate with us.

Follow our YouTube Channel then you will be able to find our **assembling video** as a pinned video.
