This commercial warranty is extended strictly to the original commercial purchaser and is non-transferable. It applies to products purchased and installed within North America for business and commercial applications.

1. WARRANTY COVERAGE DETAILS

The manufacturer warrants this dining table to be free from defects in material and workmanship during normal commercial use for a period of one (1) year from the original date of purchase. If a defect is found in normal commercial application, the manufacturer will, at its election, repair, provide a replacement part or product, or make appropriate adjustment. Proof of purchase (original sales receipt or Wayfair order confirmation) must be provided to the manufacturer with all warranty claims.

2. WHAT IS COVERED

- **Tabletop & Frame Integrity:** Any structural instability, joint separation, frame warping, or fastener failures resulting from defective materials or manufacturing craftsmanship under prescribed commercial use.
- **Surface Finish:** Premature peeling, blistering, cracking, or discoloration of the protective lacquer, veneer, or powder-coated finish when maintained in accordance with standard commercial care guidelines.
- **Hardware & Leveling Components:** Functional failure of factory-supplied structural brackets, bolts, threaded inserts, and adjustable floor levelers.

3. WHAT IS NOT COVERED

This warranty does not cover damages, defects, or failures caused by or resulting from:

- Improper assembly, installation, modification, neglect, accident, misuse, vandalism, or lack of reasonable care.
- Labor charges, assembly costs, or incidental and consequential expenses incurred during removal, repair, or replacement.
- Exposure to outdoor elements, direct rain, or extreme climate conditions (unless expressly rated and sold for outdoor commercial use).
- Exposure to aggressive chemical cleansers, abrasive scouring pads, industrial solvents, or concentrated heat and moisture without standard table protection.
- Normal wear and tear typical of high-traffic commercial operations (including superficial surface scratches, gouges, dents, or natural wood grain and color variations over time) that do not impair structural utility.

4. WARRANTY PERFORMANCE & REMEDY

Upon verification of a valid claim, the manufacturer will ship replacement parts or a complete replacement unit at no charge via standard ground shipping. The manufacturer is not responsible for any labor charges or damages associated with installation, repair, or replacement, nor for any indirect, incidental, or consequential damages, losses, or costs. In no event shall the liability of the manufacturer exceed the purchase price of the product.
