

Unpack the box, sort the accessories first, and then begin installation.

1 × High bracket

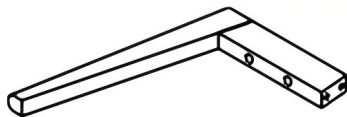

1 × Large tabletop

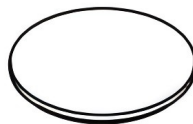

1 × Retaining bar

A 4 × Long screws

1 × Low bracket

1 × Small tabletop

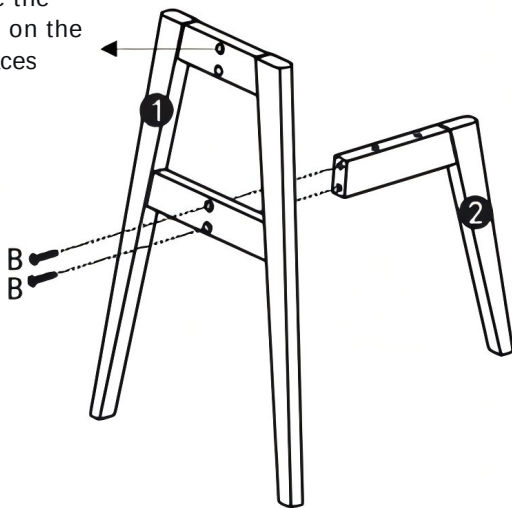

1 × Wrench

B 4 × Short screws

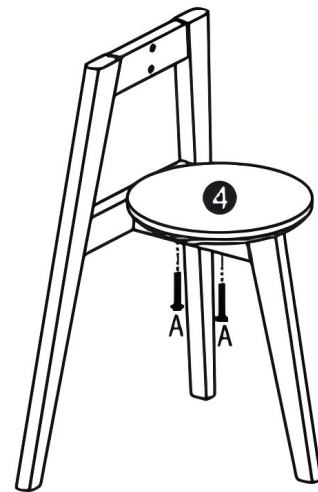

1

Make sure the large hole on the bracket faces outward.

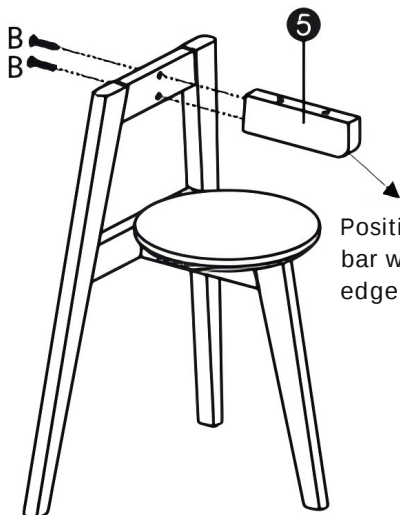

Fasten the two brackets together with Screw B.

2

Secure the small tabletop (Part 4) using Screw A.

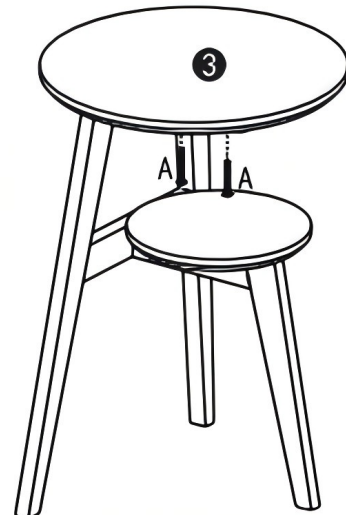

3

Position the retaining bar with the rounded edge facing downward.

Secure the retaining bar (Part 5) using Screw B.

4

Secure the large tabletop (Part 3) using Screw A.
