Important Assembly Advice

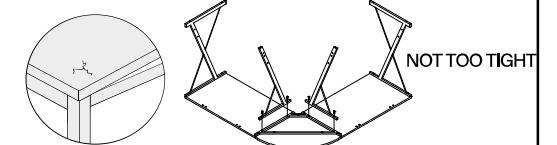

1. Parts of assembly will be MUCH EASIER with 2 people.

2. Before assembly: Lay out all parts on the opened carton. Identity tagged components and count them before assembly. Notice: Make sure correct screws are used for corresponding components.

3. Please keep a mild tightness on all the screwing during assembly. After the whole desk is assembled, firmly tighten all the screws.

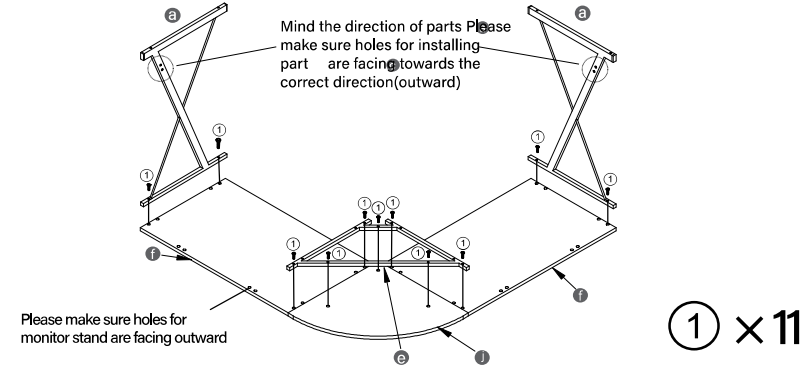

*** Only 1 Shelf included**

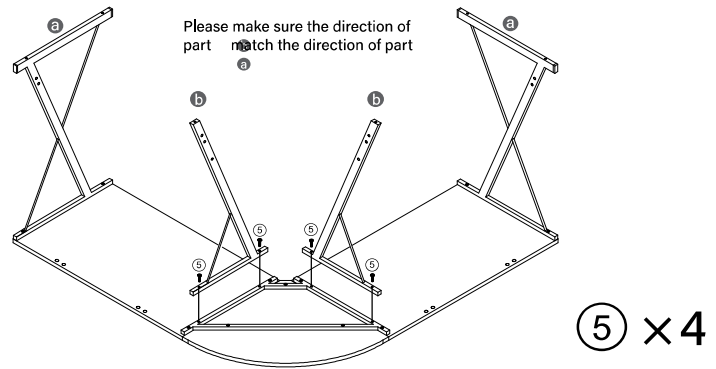

Monitor shelf can be moved arbitrarily and placed where you like, you can get to maximize your desktop space.
