WALL

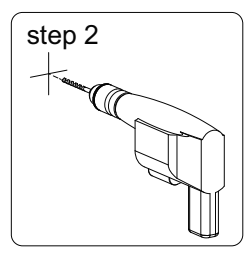

To reduce the risk of furniture tipping over ,
pls follow below steps to fix this item to the wall :

1) Place this cabinet to your desired location, use a pencil to make a small mark on solid wall through holes on wall bracket (L).

2) Move cabinet away ,follow the pencil mark to drill hole on solid wall.

3) Screw wall anchor (M) into wall hole.

4) Place cabinet against to the wall, fix screw(M) through wall bracket(L) into wall anchor (M) .
