Single Unit LG WashTower™ with Center Control®

4.5 cu. ft. or 5.0 cu. ft. Front Load Washer and 7.4 cu. ft. Front Load Dryer

LG's vertical laundry solution puts easy access, built-in intelligence and advanced cleaning within reach

Full-size and fully featured, with the washer on the bottom and dryer on top, the sleek single unit LG WashTower™ takes up half the space*, giving you room to add a sink, a folding table or whatever you like. But unlike conventional stacked pairs, LG's exclusive Center Control® panel is perfectly positioned with both washer *and* dryer controls at just the right height. Built-in intelligence makes laundry less of a chore by taking out the guesswork, while top-of-the-line innovations put advanced cleaning power within reach.

Single Unit WashTower™ Design

EVERYTHING YOU WANT IN HALF THE SPACE*— PLUS EASY-REACH CONTROLS

- Redefine your space and reinvent how you do laundry with room to add a sink, a folding table or just organized storage—all with a sleek, streamlined look
- Only LG WashTower™ has the convenient Center Control® panel that's perfectly positioned with both washer *and* dryer controls at just the right height
- Typical stacked washers and dryers place dryer controls at the very top, making them hard to see and reach without using a step stool every time

* Half the functional floor space.

LG WashTower™

Built-In Intelligence

BUILT-IN INTELLIGENCE TAKES OUT THE GUESSWORK

- Forget about endless sorting or toggling through cycles—built-in sensors use AI technology to detect fabric texture, soil level** and load size, then automatically select the right wash/dry motions, temperatures and more for advanced fabric care
- Intuitive Center Control® LCD panel gives you more of what you need with every touch, from descriptions of each setting and helpful prompts to status updates and remaining cycle time.†
- Smart Learner® will remember your preferred settings,†† from wash temp to spin speed to dry level—so you don't have to
- With Smart Pairing, the washer can even tell the dryer to select a compatible drying cycle,††† making it the ultimate laundry hack

** Soil level detection available on models WKEX300/WKGX301. † Only available on models WKEX300/WKGX301.

†† For models WKEX300/WKGX301, cycles set after minimum 10 cycle uses; options set based on minimum 3 consecutive repeated uses. For all other models, activate Smart Learner® in the ThinQ® app when normal cycle is selected on control panel. ††† WashTower™ needs to be registered in LG ThinQ® app and connected to wi-fi to set up Smart Pairing feature.
