## All Me 1

D2503S50046-4048

All Me 1 calls to mind the nostalgic photography of Helmut Newton, a German-Australian photographer whose provocative and sensual black-and-white images became a defining feature of fashion photography in the 20th century. This intentionally slightly blurred photograph encapsulates the grandeur and allure of classic Hollywood glamour while also hinting at the deeper complexities of strength and sophistication. Style and mystery are communicated through the woman's voluminous, floppy hat that fills the entire frame while her chic shades add an air of enigma.

Expert framing captures the nuance of internal and external success in this sophisticated portrait on textured paper. An original addition to the exclusive ART by TA Collection.
