Safety and Care Advice

Important - Please read these instructions fully before starting assembly

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them
- Keep children and pets away from the installation area, which may cause choking if small parts are swallowed.
- Make sure you have enough space to layout the parts before
- Do not stand or apply weight to the product during assembly. This may cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damage to the unit or floor.
- It's easier for two people to assemble the parts together.
- To reduce the likelihood of damage to your product, make sure your power drill is set to a low torque setting.

Care and maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- Check for loose screws on this unit from time to time.
- This product should not be discarded with household waste. Take to your local authority waste disposal centre.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts
- Regularly check and ensure that all bolts and fittings are correctly tightened.
