

AUBREY LAMP

Defined by architectural elements and natural materials the Aubrey is a showpiece by any standard. A polished steel base finished in antique brass exhibits opal swirl crystal and alabaster orbs that accent as well as elevate its sleek frame. The smooth surface of the crystal is juxtaposed with the slightly textured façade of the alabaster. Topped with an off-white linen tapered shade with off-white cotton lining and a 1" brass sphere finial. Finish will vary.
