DESIGN INSPIRATION

Leaping Cheetah fabric is a signature pattern featuring cheetahs at play against a saturated backdrop. This fabric is digitally printed in Italy on a 100% cotton sateen weave, which gives the surface subtle sheen. The large-scale design is perfect for statement drapery, a chic upholstered headboard or occasional chair. Leaping Cheetah is a memorable design that comes in bold, fashion-inspired colorways and is offered in a coordinating wallcovering.
