

## 066 Series

### WOOD FRAMED PREMIUM TACKBOARD

## Specifications

Wood framing to be clear-coated oak.

Framing to be permanently attached to cork surface.

The self-healing tack surface is composed of 1/8" fine grain natural cork laminated to a sealed-back 3/8" fiberboard.

Available in sizes from 3'H x 5'W through 4'H x 12'W.

The 066 series boards carry a 10-year guarantee.
