RETURN/DAMAGE CLAIM Progress

Please attention

1) Avoid contact with hot objects, such as boiling water and electric irons, to prevent deformation and damage.
2) To avoid scratches, such as knives and scissors, prevent them from getting cut.
3) Avoid sun light Shining It directly so as to prevent cover layer from changing color and aging earlier.
4) If you accidentally spill coffee on the sofa,Please do not bleach,wipping the surface of the artificial leather fabric sofa with the mixture of white vinegar and baking soda are recommend , using a dry cloth to wipe off the moisture on the surface .
5) Please note that the artificial leather sofa is not machine washable, as is a kind of nano sealing glue technology.
6) If the sofa is smelling,please try to air it 24-48 hours and the smell will give away.
7) To avoid pilling or deformation of the fabric,do not use violent scrubbing or brushes.
8) Please use the specified detergent to wipe and avoid using bleach or bleach containing chlorine prevent fading and aging of the fabric。

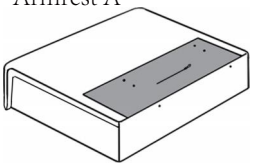

Warm tips： Material certified according to OEKO-TEX®STANDARD 100 and ECO PASSPORT.Every Parts of the Fabrics has been tested for harmless for health.
