In order to receive assistance more quickly, please provide

THE FOLLOWING INFORMATION:

- Order number
- Purchase platform
- Purchase date
- Detailed description of the issue along with photos (if applicable)

Important – Please read these instructions carefully before starting the installation.

Before Assembly

Thank you for choosing this product!

To ensure safe use and long-term maintenance, please read this manual carefully and keep it properly for future reference.

Packaging Notice:

1. Multi-Box Shipping Notice

This product is packaged in 2 separate boxes for shipping and may arrive in batches at different times. To ensure a smooth assembly process, please make sure all boxes are received before unpacking and starting the installation.

2. Box and Packaging Verification

Each box is labeled with a corresponding number. Please refer to the packing list on the next page of this manual to verify that all boxes have been received.

If you find any missing boxes, damaged parts, or accessory shortages, please contact the customer service team of your purchasing channel immediately. We will resolve the issue as quickly as possible.

Important Notice:

- To ensure a smooth and successful installation, please read this guide carefully. It provides essential information about the required tools, materials, and assembly steps. Follow the instructions in each section to avoid any issues caused by improper installation.
- Please review all operational and safety guidelines to ensure proper and secure assembly.
- This guide reflects the most current product information available at the time of printing. We reserve the right to make changes to product features, packaging, or availability without prior notice.
- Before starting assembly, ensure that all necessary electrical and environmental preparations are completed.
- This manual contains important instructions regarding installation, cleaning, and maintenance. Please read it thoroughly and keep it for future reference.

Safety Warnings

1. Follow Warning Labels

Do not remove, alter, or obscure any warning labels on the product or packaging. Always adhere to the displayed safety instructions to ensure proper usage.

2. Conduct Regular Inspections

Periodically inspect all components to ensure they are properly installed, undamaged, and securely fastened. Report any issues to customer support immediately.

3. Practice Safe Usage

Avoid playing, jumping, or engaging in activities on or under the bed, as this may cause injury or structural damage.

4. Beware of Rope Hazards

Do not attach ropes, hooks, straps, or any non-designated accessories to any part of the bed, as this may pose a safety hazard.

5. Keep This Manual for Reference

Store this manual in a safe and accessible place for future reference.

6. Safety is a Shared Responsibility

Ensuring safety is a joint responsibility between the manufacturer and the user. Please follow all safety precautions during assembly and use.

Disclaimer

We are committed to delivering safe, high-quality, and reliable products to our customers. If you have any questions, concerns, or require further assistance, please contact our customer service team without hesitation.

Maintenance and Care Recommendations

1. Regular Cleaning

To maintain hygiene and prevent bacterial growth, clean the product regularly. Use a damp, well-wrung cloth to avoid excess moisture and prevent surface scratches.

2. Prevent Corrosion

Keep the product away from acidic or alkaline substances, as they may cause corrosion or damage to the materials.

3. Use Only Authorized Replacement Parts

Do not use unauthorized or third-party replacement parts, as they may compromise the product's safety and durability. If a replacement is needed, contact the manufacturer or an authorized dealer for approved parts.

4. Cleaning Precautions

Do not machine wash or rinse any part of the product directly with water, as this may damage the materials and reduce product lifespan.

5. Prevent Pests

Keep wooden furniture away from damp or humid areas to prevent pest infestations and wood damage. Use a dehumidifier or air conditioner during humid seasons to maintain a dry environment.

6. Protect from Sunlight

Avoid placing furniture in direct sunlight, as prolonged exposure may cause cracking, discoloration, or fading. If sunlight exposure is unavoidable, use curtains or shades to minimize damage.

7. Keep Away from Fire

Position furniture away from heat sources and open flames to prevent damage and maintain its condition.

8. Perform Regular Care

Apply furniture oil periodically to maintain the wood's shine, prevent cracks, and extend its lifespan.

9. Clean Frequently

Regularly vacuum dust and debris, especially underneath furniture, to keep it clean and hygienic.

10. Maintain a Dry Environment

Ensure good ventilation to prevent moisture buildup, which can damage wood. Use a dehumidifier if necessary to protect the furniture.

11. Avoid Corrosive Liquids

Keep furniture away from acidic or alkaline substances, as these can damage the surface and reduce durability.

12. Use a Damp Cloth for Cleaning

Wipe furniture with a well-wrung damp cloth to prevent water damage or swelling. Avoid excessive moisture exposure.

13. Limit Sun Exposure

Excessive sunlight can dry out and weaken wood. Position furniture in shaded areas or use UV-blocking curtains to protect it from damage.

Customer Service Guide

Thank you for choosing our product! We are committed to providing you with excellent service. If you find any missing parts, damaged packaging, or product damage after receiving all packages, please follow the steps below to quickly contact our customer service team. We will do our best to resolve your issue.

1. Missing Parts

Verify Parts:

1. Refer to the "Parts List" in the manual to verify the name, specifications, and quantity of the missing parts.
2. Take a clear photo of the parts list and mark the missing parts with detailed information, e.g., "Missing 5 pieces of M6×30mm screws."

Contact Us:

By Email:

Send an email to service@grandtunnel.com, with the subject line "Missing Parts Issue." Include the following in the email:

- A description of the missing parts and a photo of the parts list.
- Order details (order number, purchase platform, purchase date).

2. Product or Packaging Damage

If it affects normal use:

Steps:

1. Take clear photos or videos showing the damaged parts and the extent of the damage (multi-angle shots are recommended).
2. Email the photos/videos along with order details to service@grandtunnel.com, with the subject line "Product Damage Issue."

Resolution:

After verification, we will arrange for a replacement part, product exchange, or refund as quickly as possible.

If it does not affect normal use:

Steps:

- 1. Contact our customer service team (by email: service@grandtunnel.com).
- 2. Provide a description of the damage and include relevant photos or videos.

Resolution:

We will provide repair guidance or an appropriate compensation plan based on the specific situation.

Helpful Tips

To process your issue efficiently, please prepare the following information:

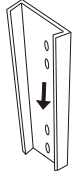

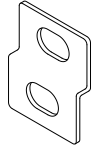

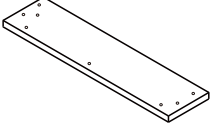

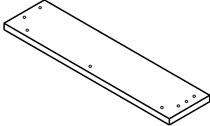

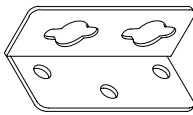

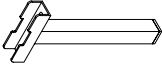

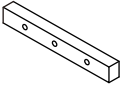

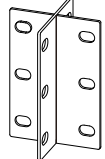

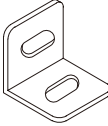

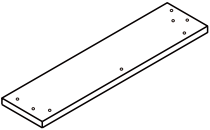

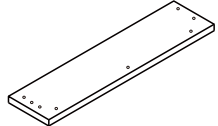

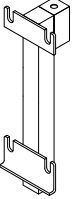

- Order details (order number, purchase platform, purchase date).
- Clear photos or videos.
- We are committed to providing quick and professional solutions, no matter the size of the issue, to ensure your satisfaction.

Thank you for your trust and support!
We hope you enjoy using our product!

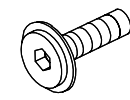

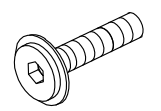

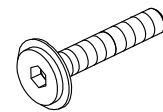

Parts List

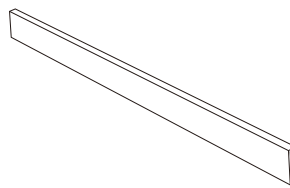

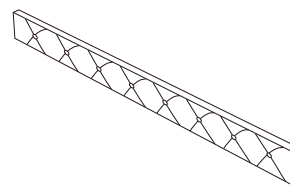

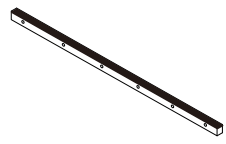

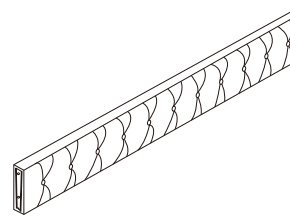

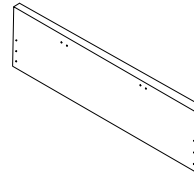

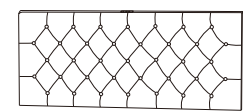

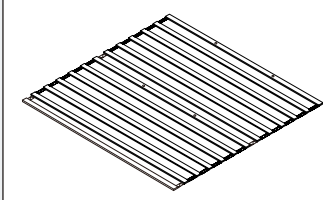

BOX 1

		
4x8	6x2	8x1
		
9x1	11x2	13x2
		
14x4	15x2	16x2
		
18x2	21x8	23x1
		
24x1	25x2	

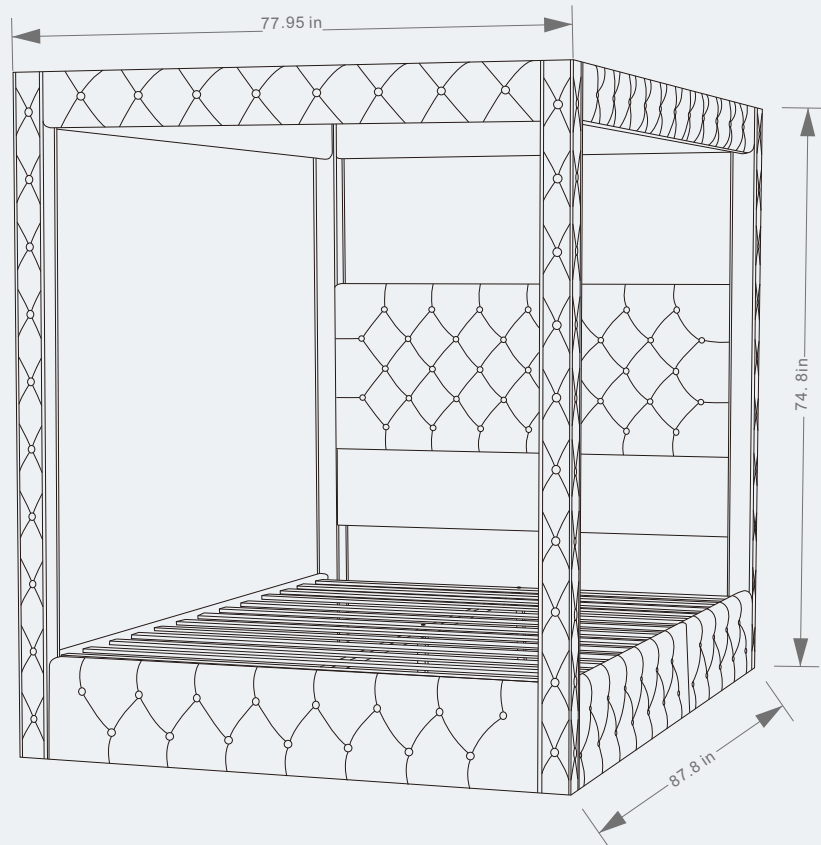

Hardware List (BOX 1)

			
A M6 x1	B M8*18mm x38	C M8*35mm x14	D M8*45mm x16
			
E M8*65mm x6	F M6*18mm x16	G M8*25mm x12	H M4*35mm x4
			
I M6*18mm x4			

BOX 2

		
1 x1	2 x1	3 x1
		
5 x1	7 x2	10 x2
		
12 x2	17 x1	19 x1
		
20 x1	22 x1	

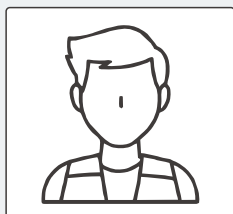

King size

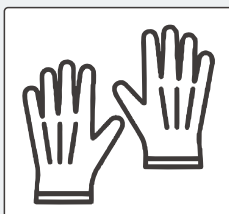

Important:

In each of the previous steps, tighten all screws to approximately 70% to stabilise the overall frame during assembly. Do not fully tighten any screws until the final step is completed.

Tools & Equipment

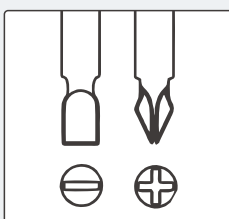

2 people needed

Work gloves

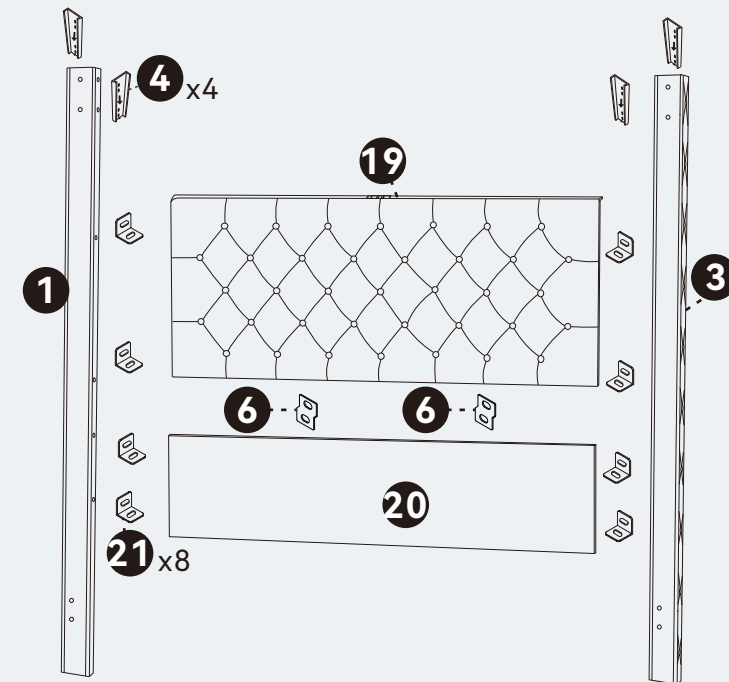

Tape measure

Other Tools Required
Phillips Screwdriver
(Not Included)

Headboard Section Installation

The headboard section assembly requires a total of 17 labeled panels shown in the diagram. Please locate all of them and prepare them for use.

Hardware Accessory List

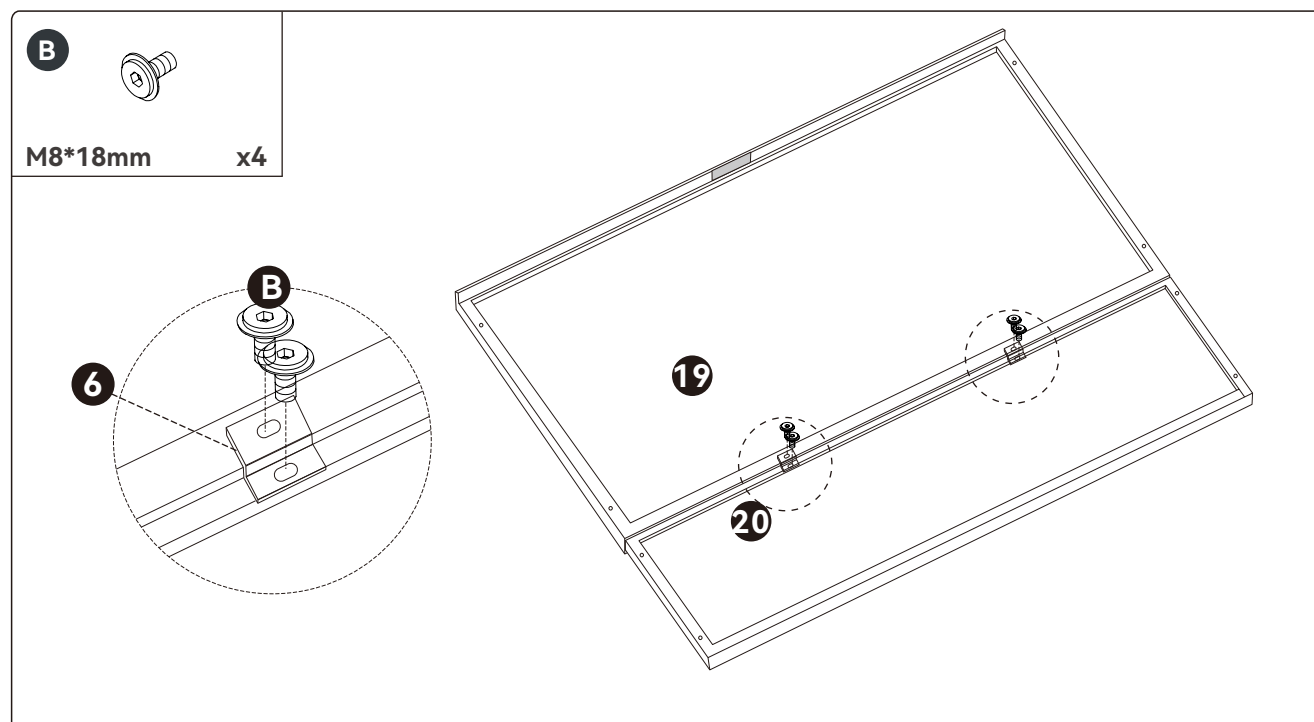

B		M8*18mm x24
F		M6*18mm x8

Note:

Ensure all hardware components are accounted for before beginning assembly. Missing or damaged hardware should be reported to customer service for replacement.

Step 1

Headboard Section

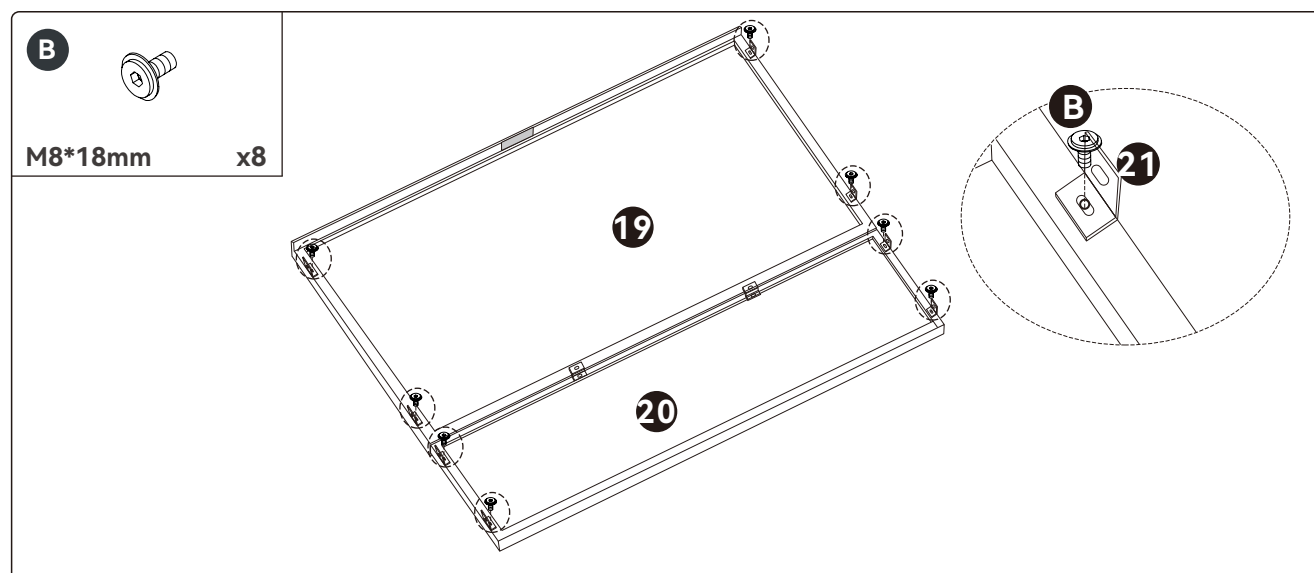

Headboard upper panel 19 and headboard lower panel 20 are connected with metal plate 6, and secured with bolt B.

Note: The edges of the upper and lower panels must be aligned evenly on both sides.

Step 2

Headboard Section

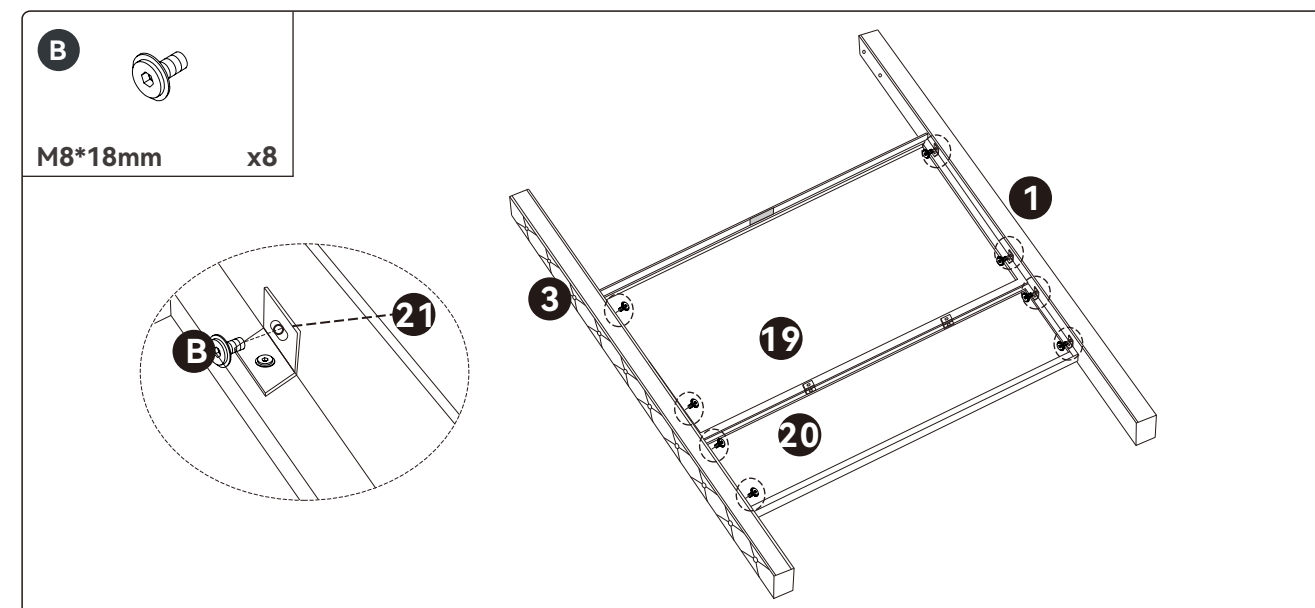

Angle iron 21 is installed at the corresponding hole positions on both sides of the headboard upper panel 19 and the headboard lower panel 20, and connected with bolt B.

Note: Tighten all bolts only to about 70%, not fully tight, to facilitate subsequent assembly.

Step 3

Headboard Section

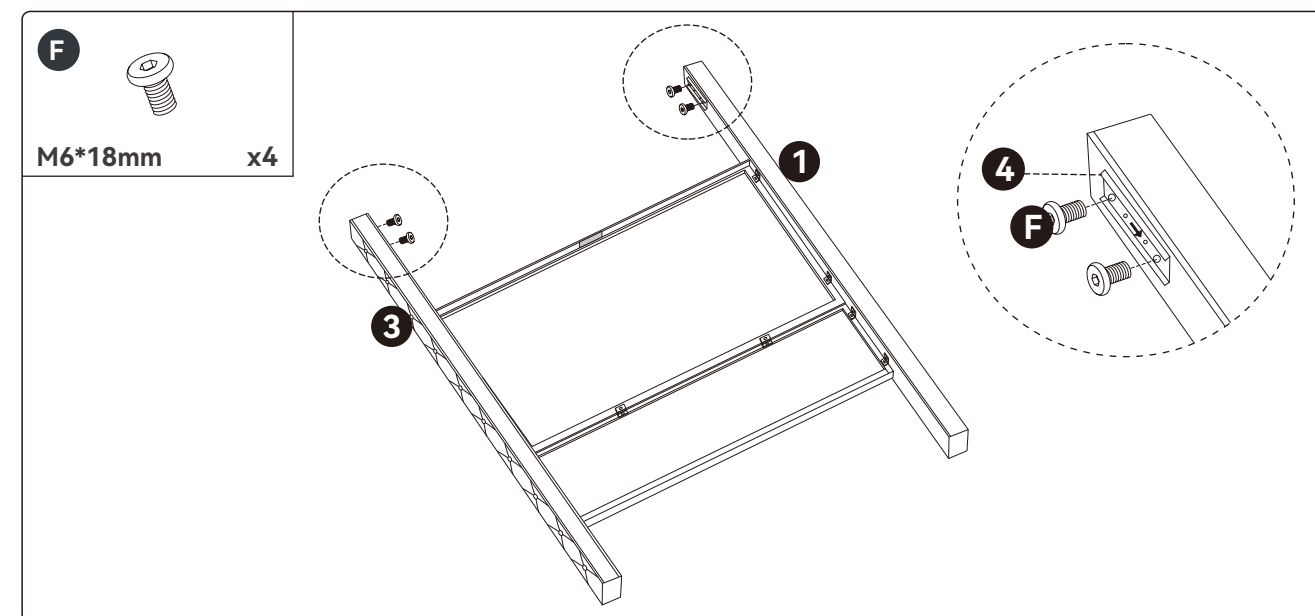

Place bed posts 1 and 3 according to the diagram, and use angle iron 21 to secure them to both sides of the headboard upper panel 19 and the headboard lower panel 20, connecting with bolt B.

Note:

1. Bed posts 1 and 3 have specific hole orientations. Do not mix them up.
2. First install all bolts, including those previously not fully tightened, and then tighten all bolts completely.

Step 4

Headboard Section

Install insert piece 4 on the upper side of bed posts 1 and 3, and secure it with bolt F.

Note: Pay attention to the arrow direction on insert piece 4.

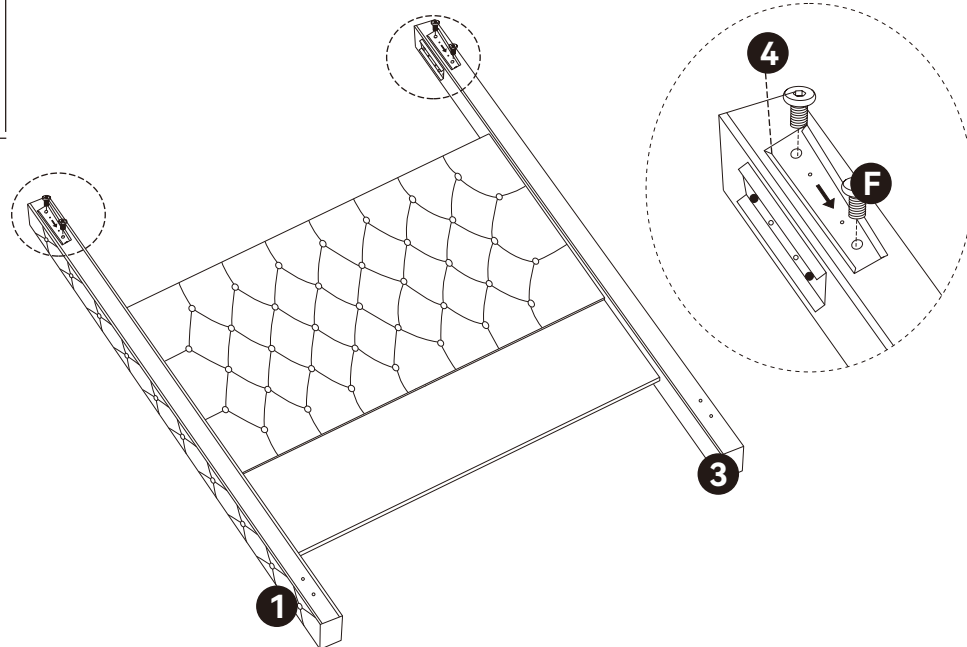

Step 5

Headboard Section

F

M6*18mm x4

Turn the headboard over to the front side, then install insert piece 4 on the upper side of bed posts 1 and 3, and secure it with bolt F.

Note: Pay attention to the arrow direction on insert piece 4.

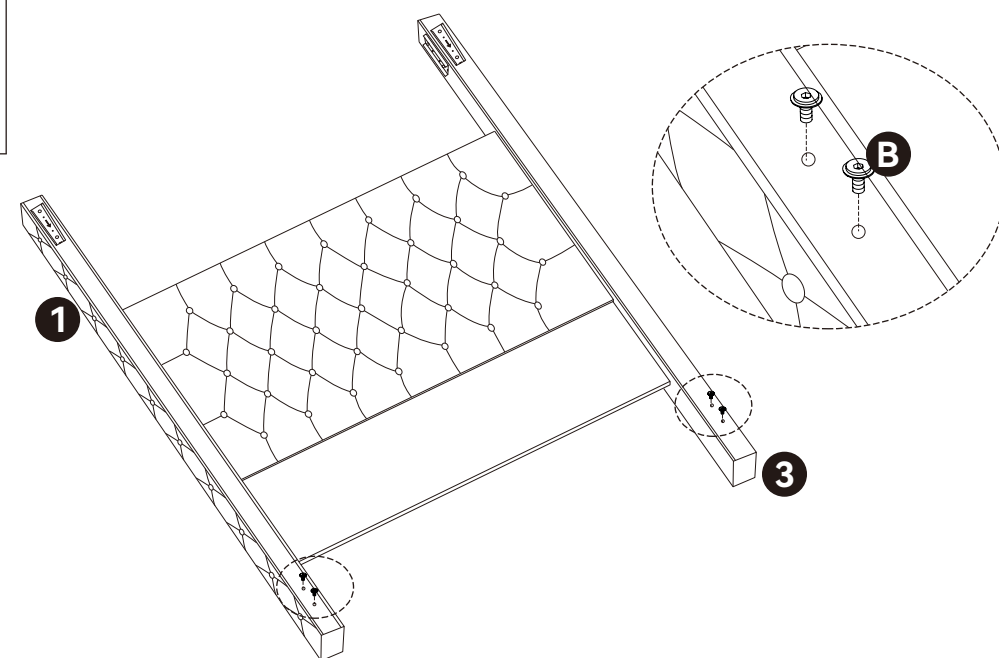

Step 6

Headboard Section

B

M8*18mm x4

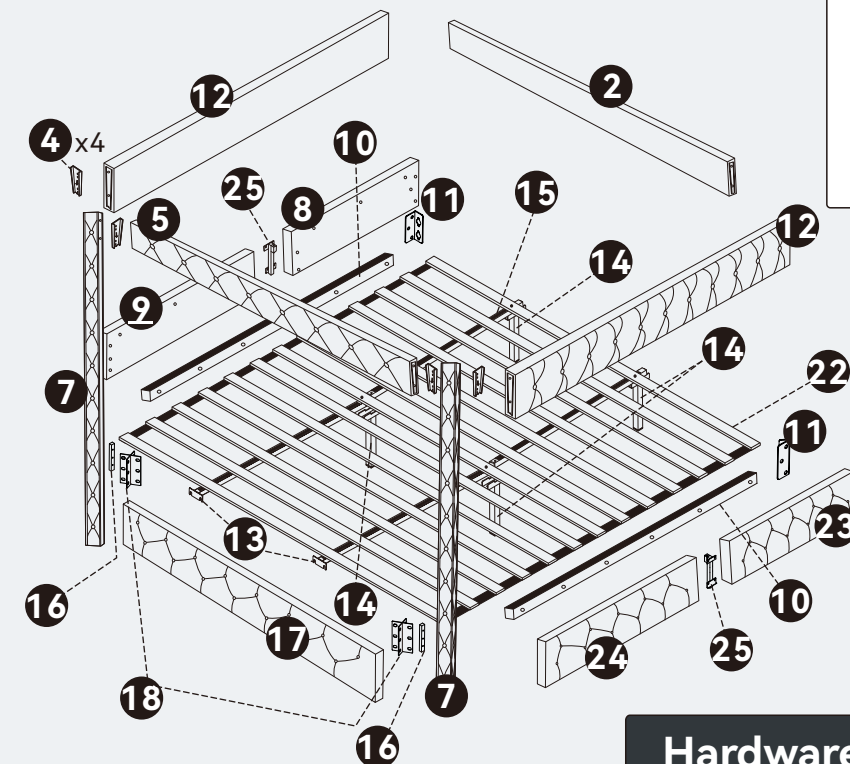

Pre-install bolt B at the corresponding hole positions on the lower side of bed posts 1 and 3, tightening it to 70% to facilitate later installation.

Frame Parts Section Installation

The frame parts section assembly requires a total of 33 labeled panels shown in the diagram. Please locate all of them and prepare them for use.

Hardware Accessory List

F		M6*18mm x8
G		M8*25mm x12
H		M4*35mm x4
I		M6*18mm x4

Hardware Accessory List

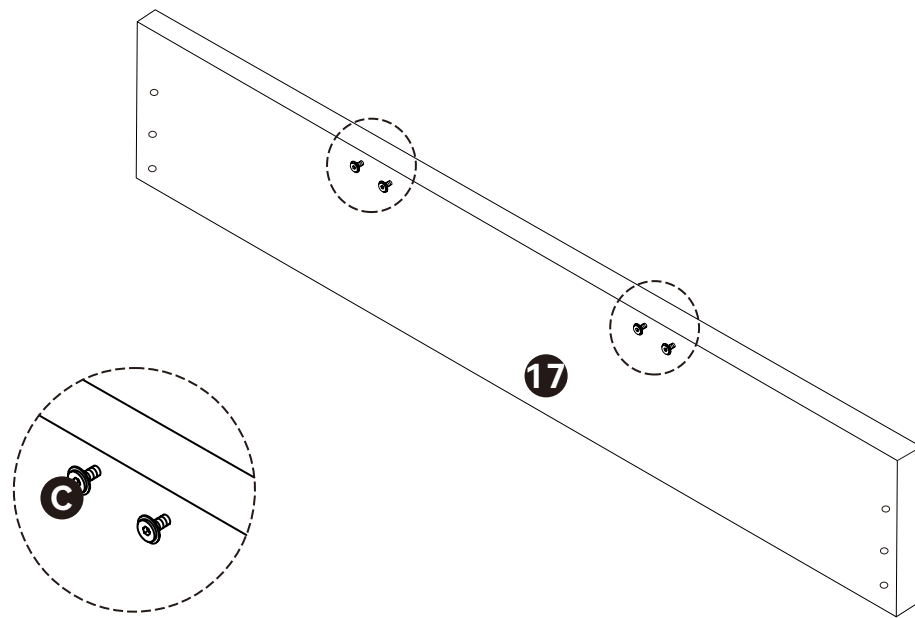

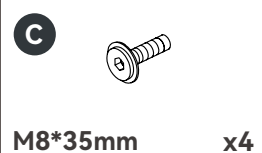

B		M8*18mm x14
C		M8*35mm x14
D		M8*45mm x16
E		M8*65mm x6

Note:

Ensure all hardware components are accounted for before beginning assembly. Missing or damaged hardware should be reported to customer service for replacement.

Step 7

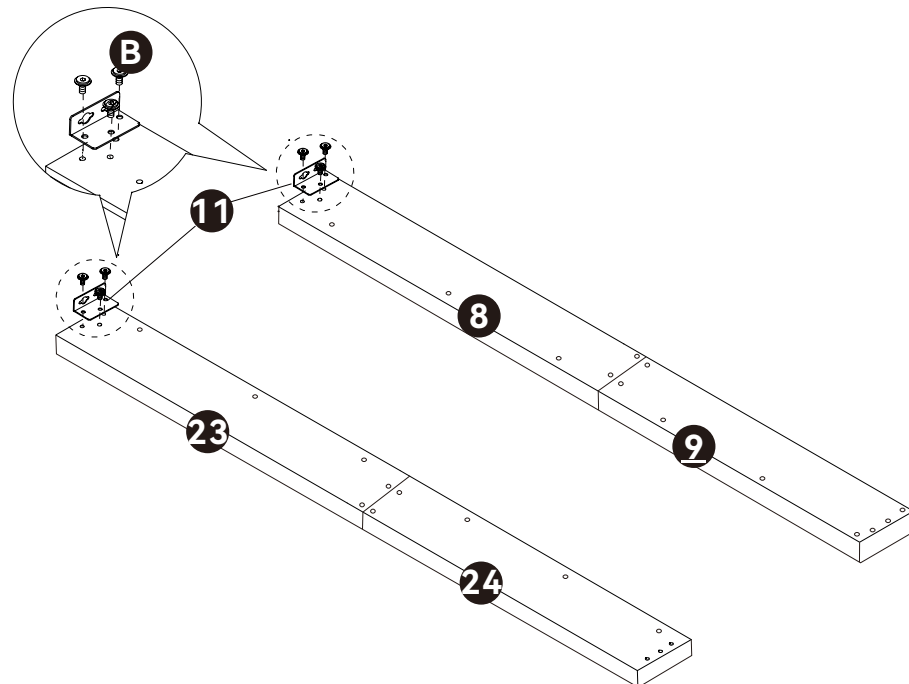

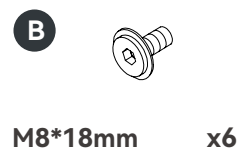

Frame Parts Section

Turn the headboard over to the front side, then install insert piece 4 on the upper side of bed posts 1 and 3, and secure it with bolt F.

Step 8

Frame Parts Section

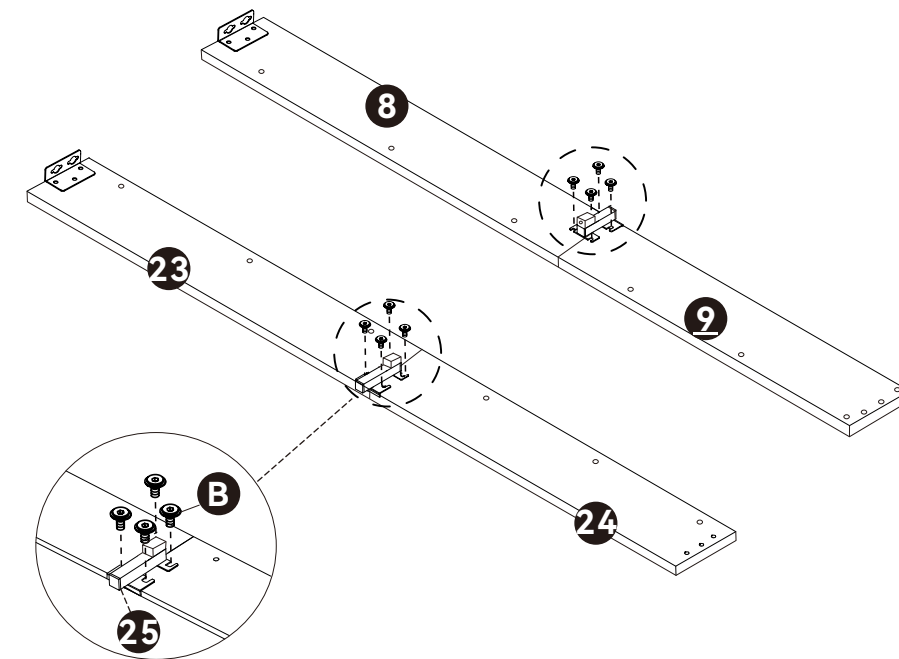

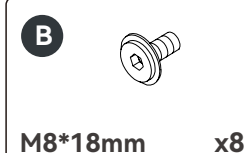

Place side panels 8, 9, 23, and 24 according to the diagram. Install hanger piece 11 at the triangular hole positions on side panels 8 and 23, and secure it with bolt B.

Note:

1. First install all bolts, then tighten them completely.
2. Pay attention to the hole orientation when placing the side panels.

Step 9

Frame Parts Section

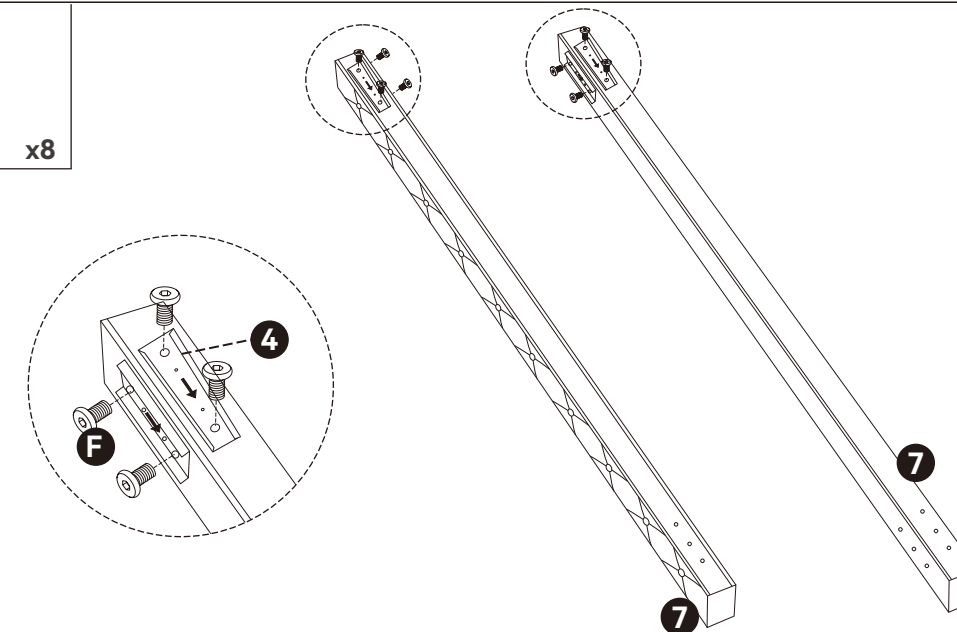

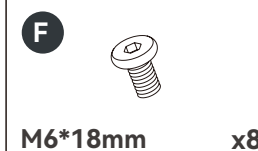

Metal leg 25 is installed at the middle position between side panels 8 and 9, and between side panels 23 and 24, and secured with bolt B.

Note: First install all bolts, then tighten them completely.

Step 10

Frame Parts Section

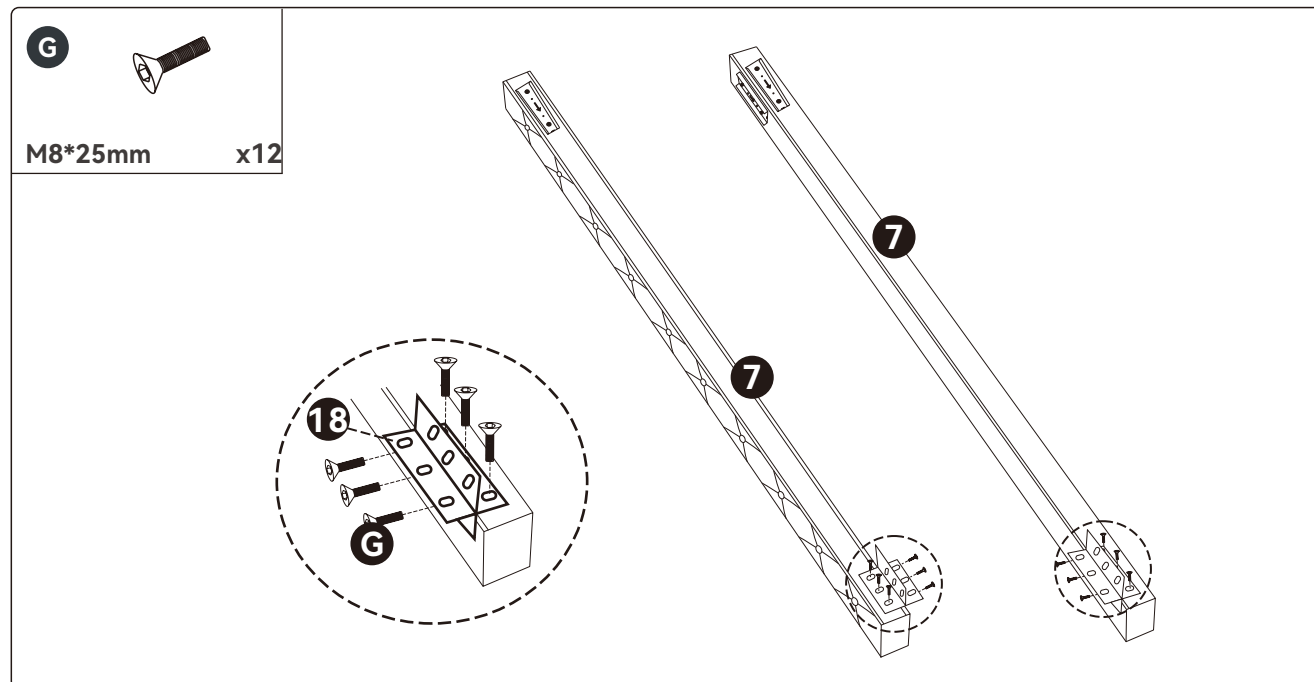

According to the diagram, install insert piece 4 on the upper side of bed post 7, and secure it with bolt F.

Note:

1. Bed post 7 has a specific hole orientation. Do not mix it up.
2. Pay attention to the arrow direction on insert piece 4.

Step 11

Frame Parts Section

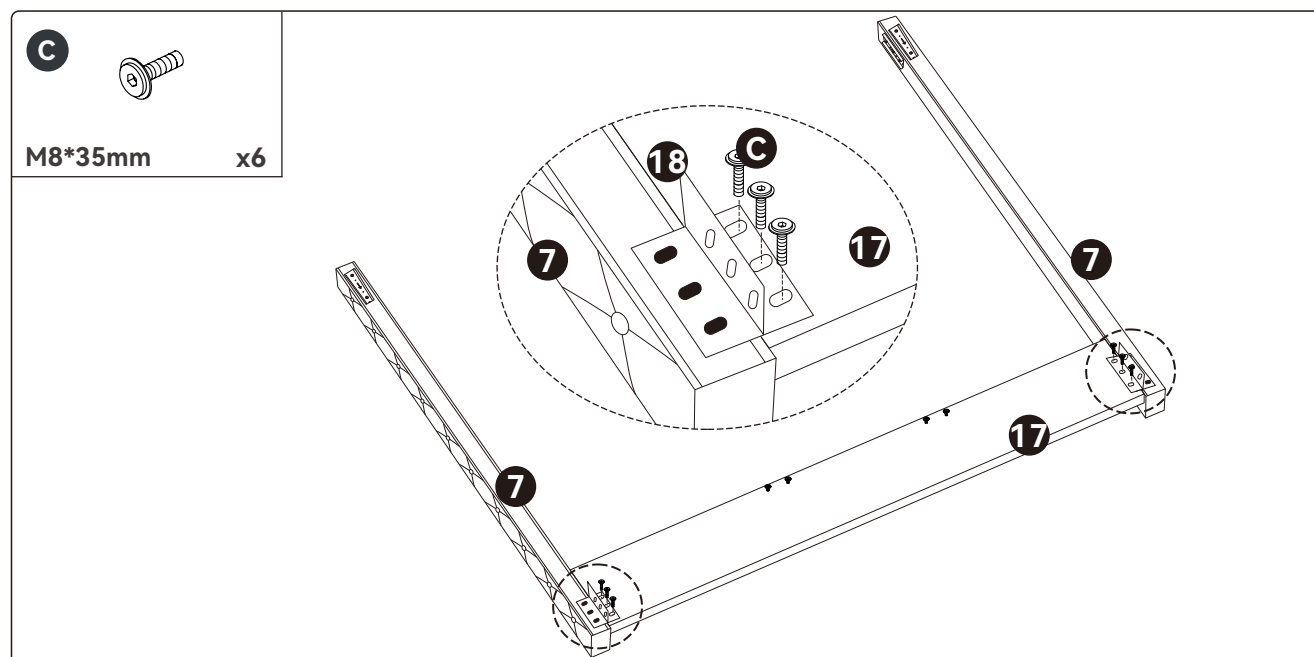

Install the cross hanger piece 18 on the lower side of bed post 7, and secure it with bolt G.

Note:

1. Pay attention to the placement and assembly direction of hanger piece 18.
2. First install all bolts, then tighten them completely.

Step 12

Frame Parts Section

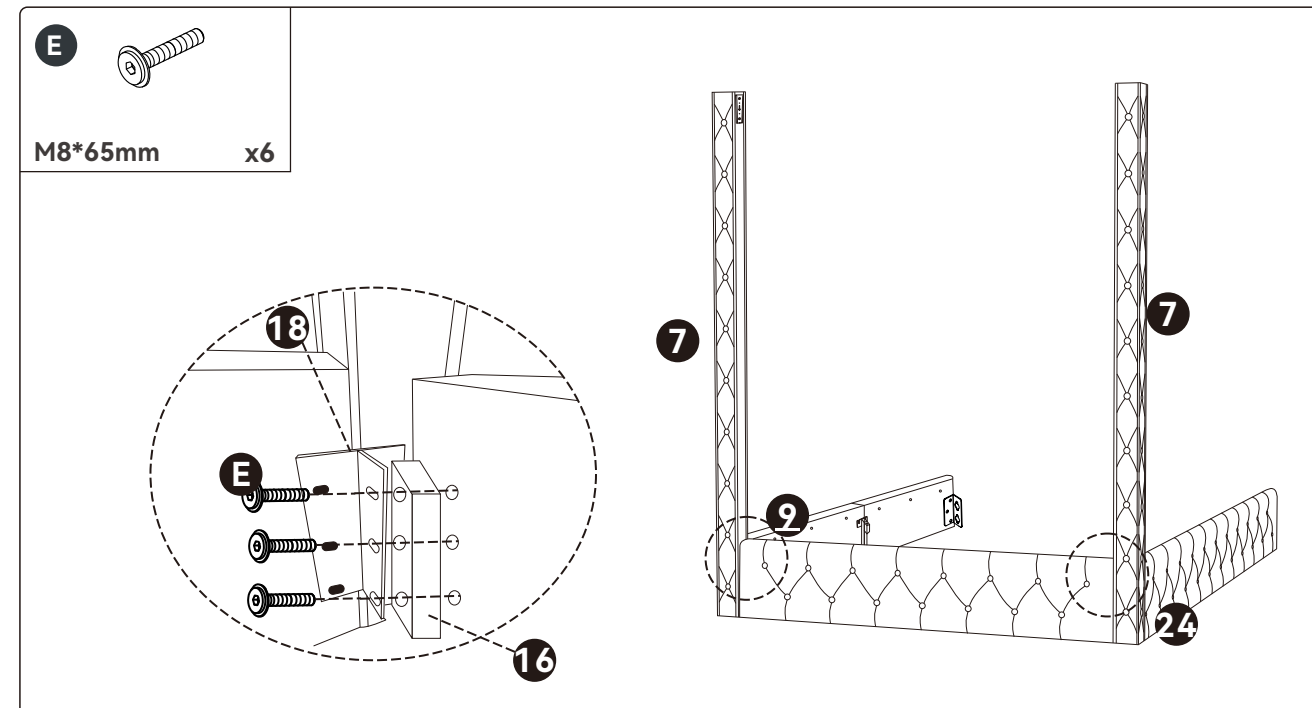

Install bed posts 7 on both sides of the footboard panel 17, connecting them with the cross hanger piece 18, and secure with bolt C.

Note: First install all bolts, then tighten them completely.

Step 13

Frame Parts Section

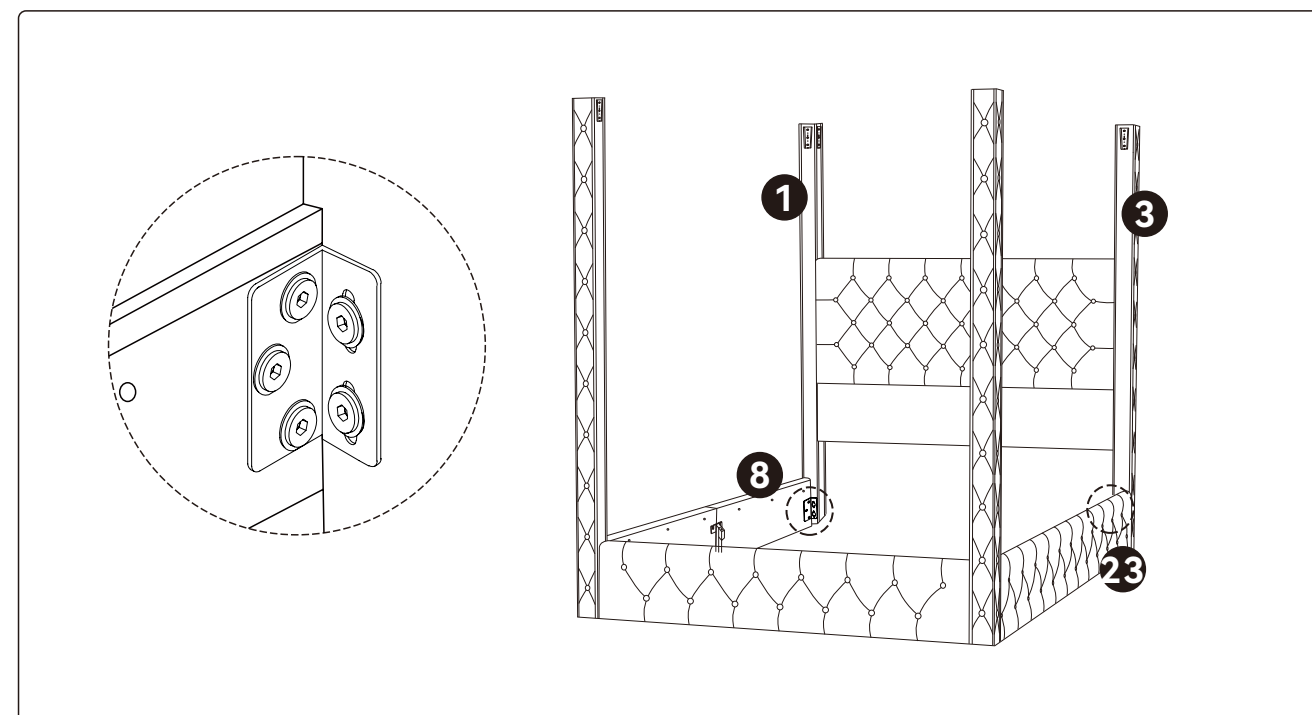

Place side panels 9 and 24 according to the diagram. Use bolt E to secure the cross hanger piece 18 and wood block 16 onto side panels 9 and 24.

Note: First install all bolts, then tighten them completely.

Step 14

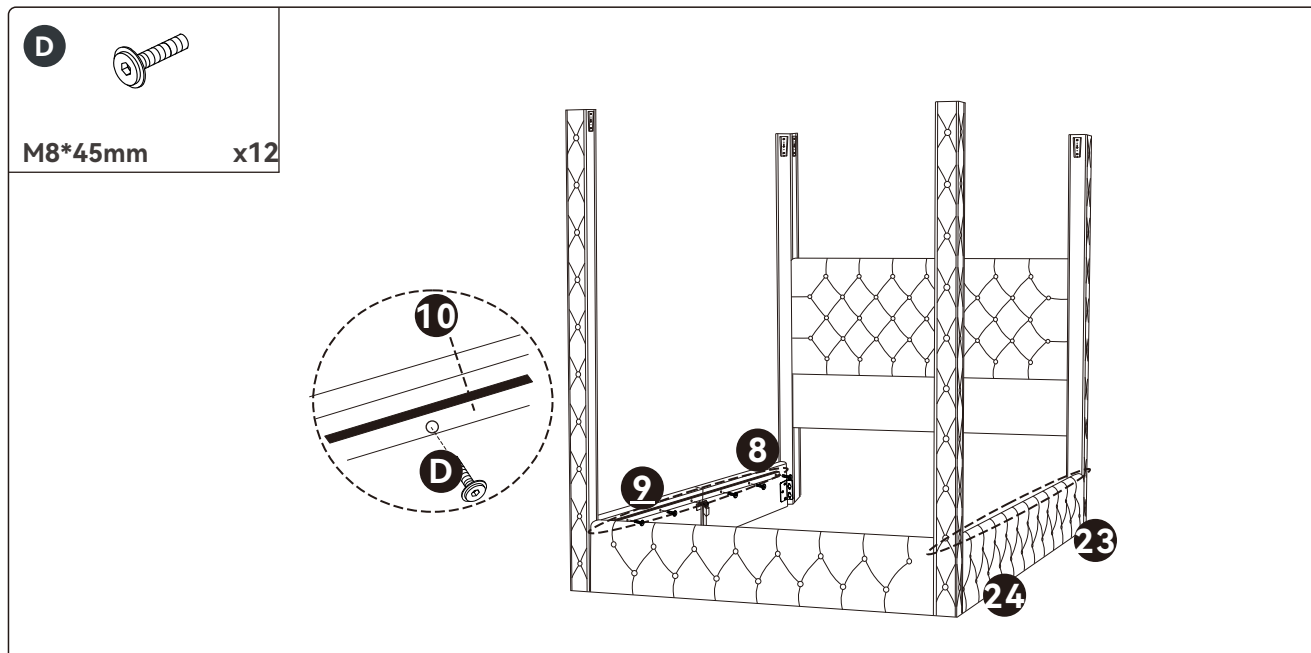

Frame Parts Section

Connect the hanger pieces on side panels 8 and 23 with the pre-installed bolts on bed posts 1 and 3. After positioning them correctly, tighten the bolts completely.

Step 15

Frame Parts Section

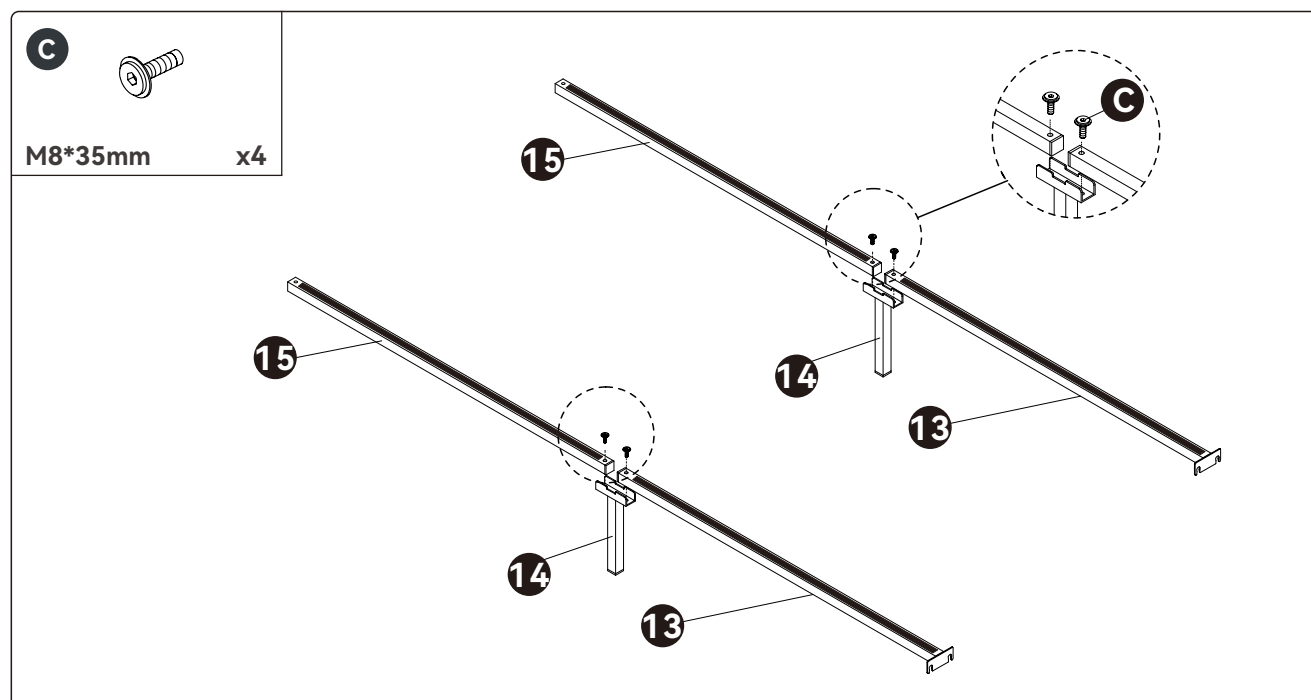

Install wood slat 10 at the corresponding hole positions on side panels 8 and 9, and on side panels 23 and 24, and secure it with bolt D.

Note:

- 1.The black Velcro should face upward.
- 2.First install all bolts, then tighten them completely.

Step 16

Frame Parts Section

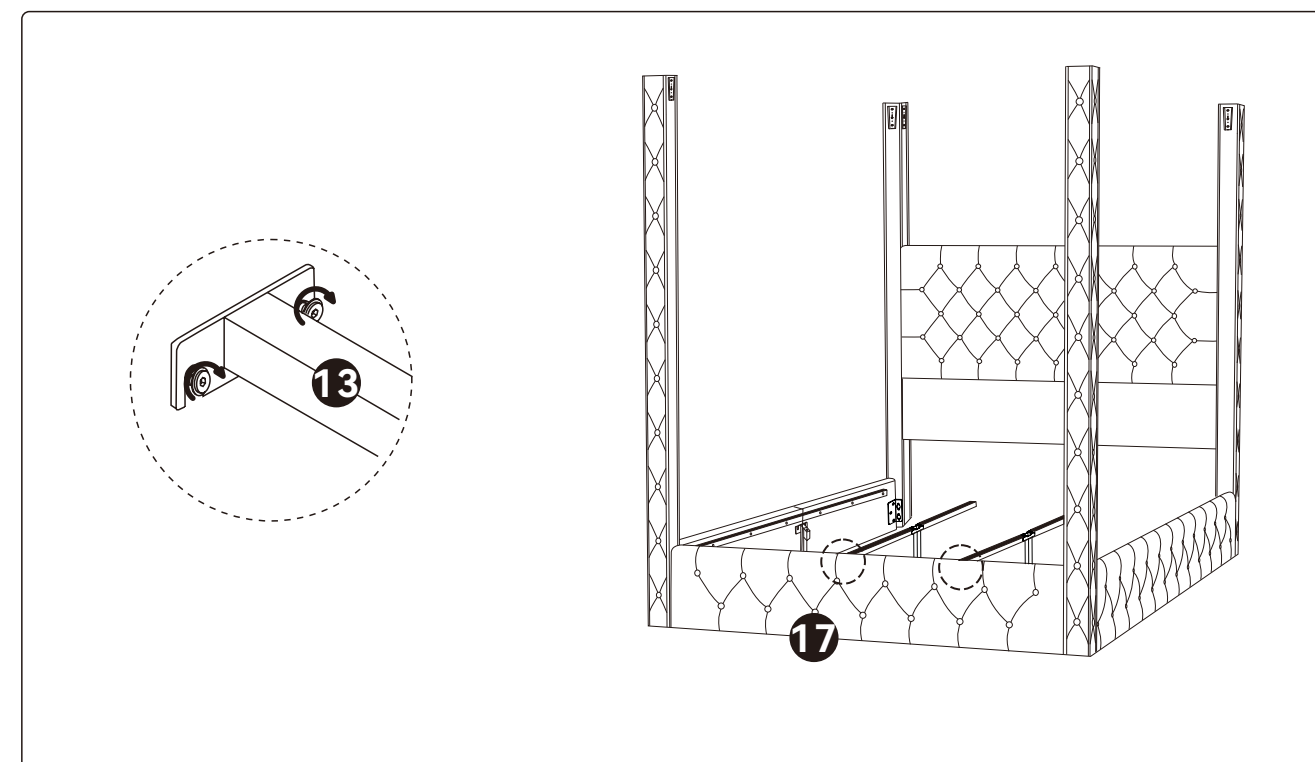

Use the center leg 14 to connect metal tubes 13 and 15, and secure them with bolt C.

Note: The black silent foam should face upward.

Step 17

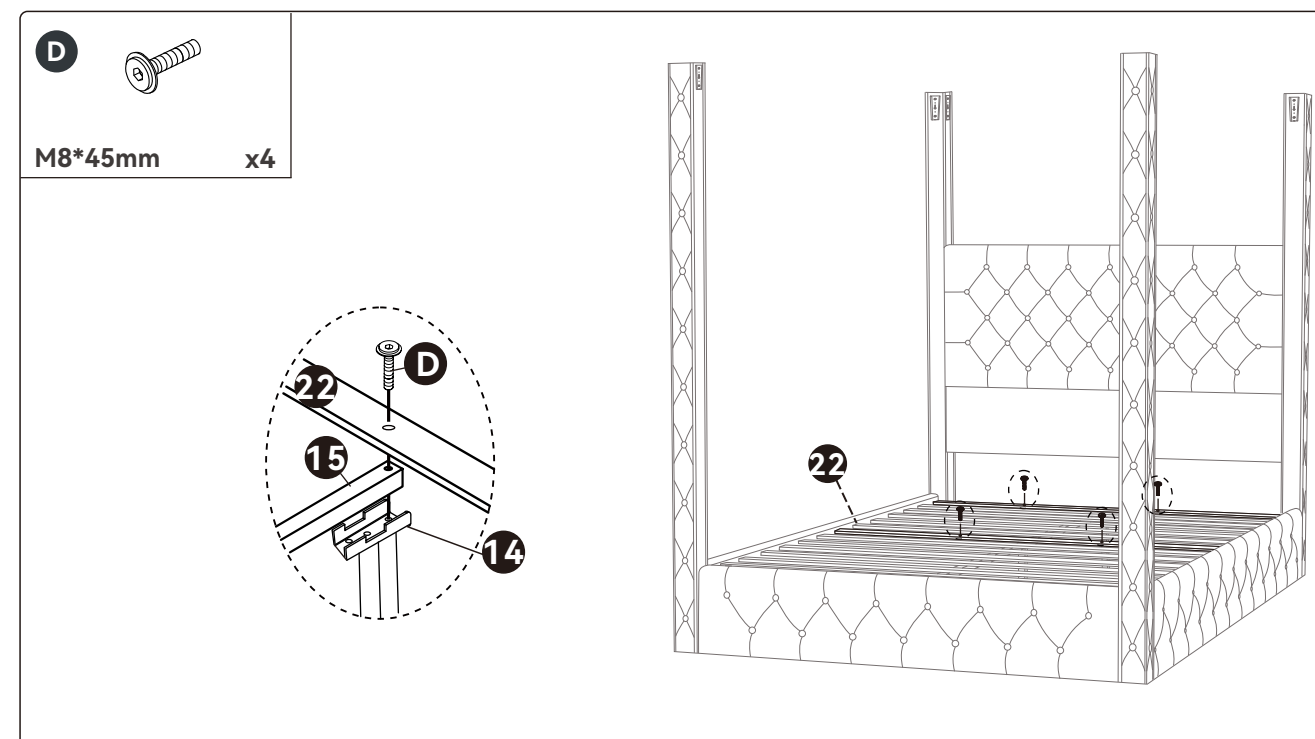

Frame Parts Section

Hang metal tube 13 onto the pre-installed bolts on the footboard 17. After positioning it correctly, tighten the bolts.

Step 18

Frame Parts Section

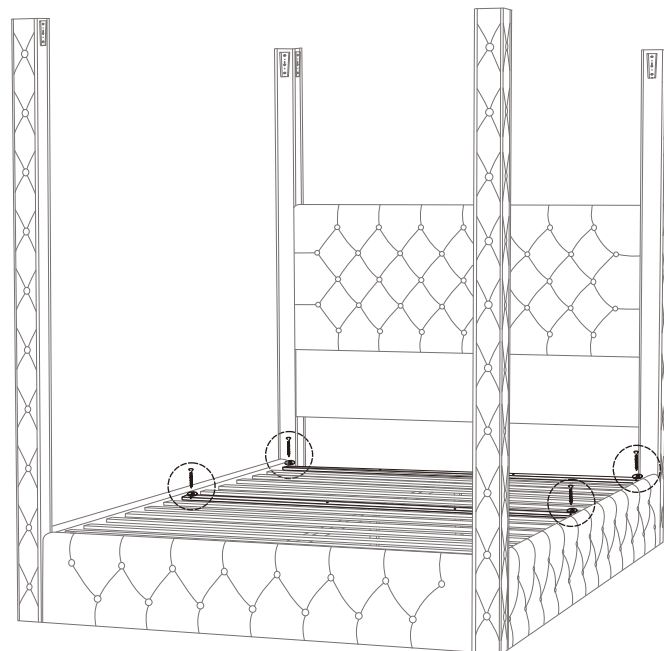

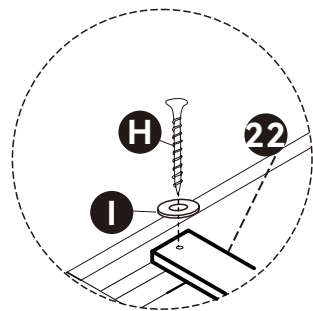

- 1.Lay out the slats 22.
- 2.Align slats 22 with metal tube 15 and hardware leg 14, then secure them with bolt D.

Step 19

Frame Parts Section

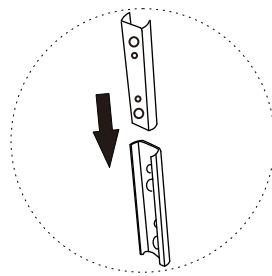

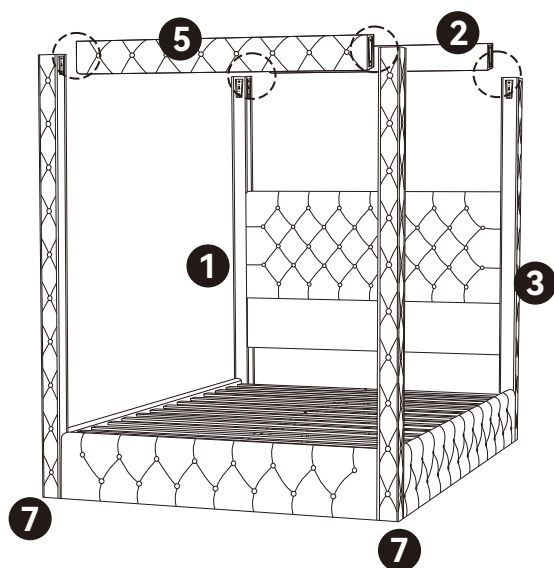

- H**  **M4*35mm x4**
- I**  **M6*18mm x4**

Secure slats 22 using self-tapping screws H and washers I.

Step 20

Frame Parts Section

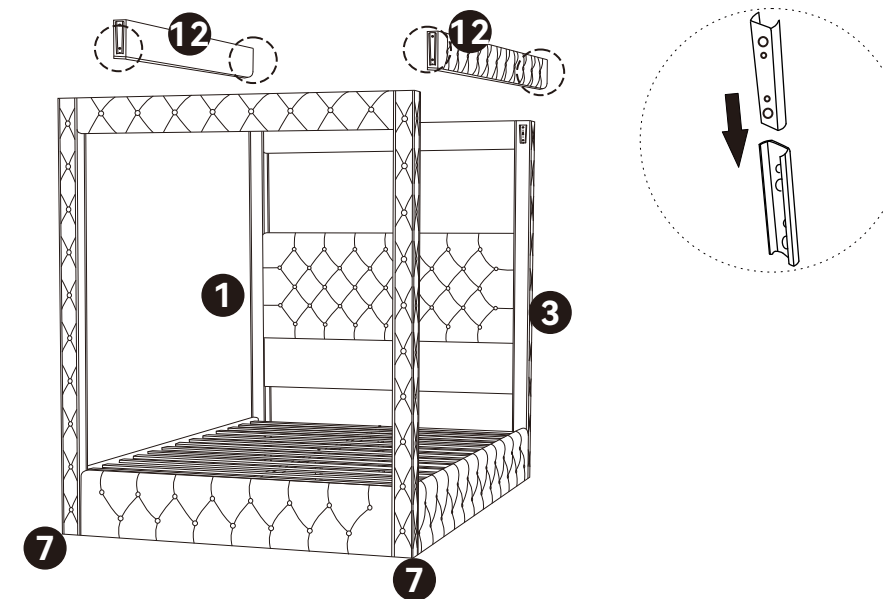

Insert crossbeam 2 onto the insert pieces of bed posts 1 and 3, and insert crossbeam 5 onto the insert pieces of both bed posts 7.

Note: Crossbeam 2 has a front and back orientation. Ensure the metal hanger pieces are inserted horizontally on both sides until they reach the bottom position.

Step 21

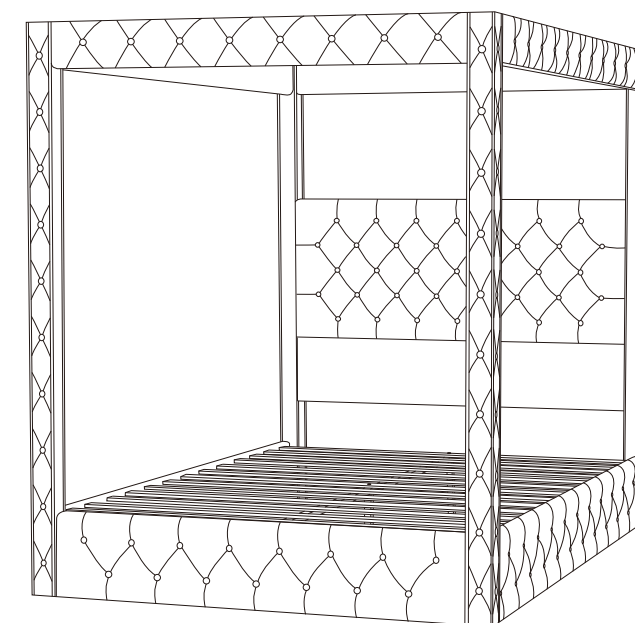

Frame Parts Section

Insert crossbeam 12 onto the corresponding insert pieces between bed posts 1 and 7, and between bed posts 3 and 7. Ensure the metal hanger pieces are inserted horizontally on both sides until they reach the bottom position.

Step 22

Frame Parts Section

Installation Completed.

The headboard includes plug and outlet functions.
