PRDOUCT DESCRIPTION

Premium Corduroy Fabric – Upholstered in soft, durable corduroy with a unique textured finish, resistant to stains and daily wear, maintaining a clean, stylish look.

Full Foam Compression – The ottoman's fully compressed foam structure provides long-lasting comfort and support for sitting or lounging.

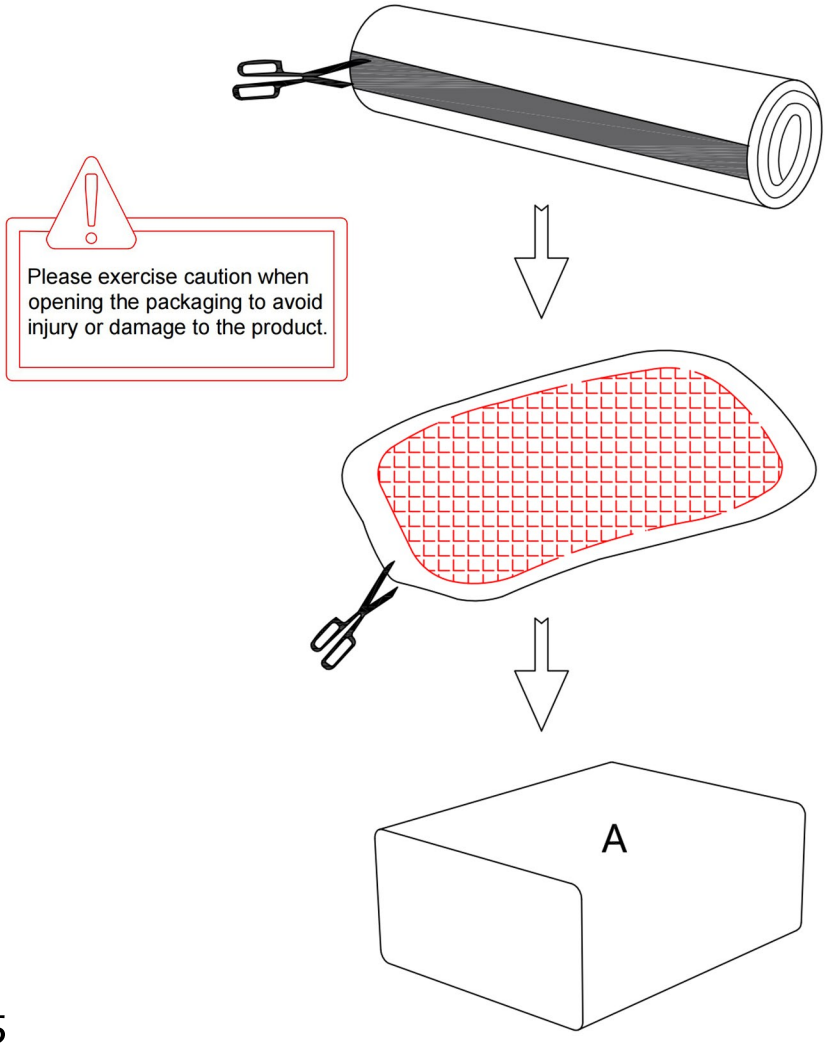

Spring Core Cushioning – Integrated spring-filled cushion enhances seating comfort, giving a plush yet supportive feel.

Modular Connectivity – Velcro fasteners at the base allow secure attachment to other sofa modules, enabling customized arrangements to fit any space.

Stability Features – Non-slip pads prevent sliding on different floor types, ensuring safety and stability during use, whether used alone or in combination.

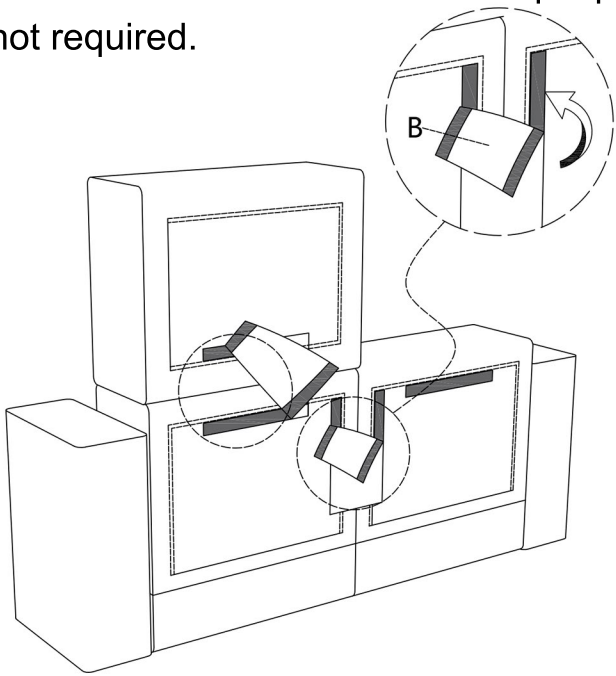

step 1

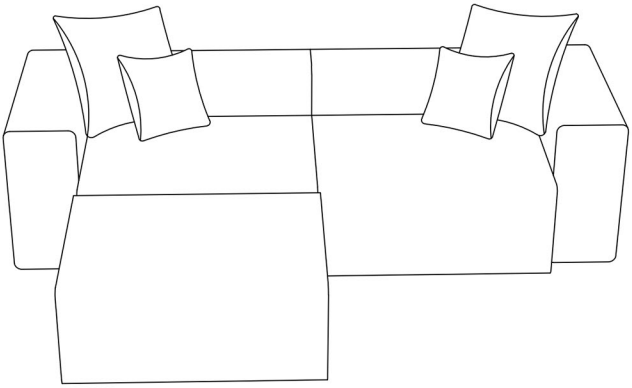

Take out the roll of compressed product from the box.
Cut open the compression bag along the paper strip on the roll bag. Remove the sofa and let them rest to recover their shape. Full recovery may take up to 72 hours, but you can gently slap the sofa to speed up the process.

step 2

Each carton includes a piece of felt fabric. Attach it to the Velcro strips at the bottom of the sofa to connect the individual modules together. If you are using a single sofa module and do not need to combine multiple pieces, this felt fabric is not required.
