The **most popular model** used for cooking in bigger families or parties (up to 10 people). A perfect choice for the backyard or terrace of your house or cottage.

With this grill, you can cook 20 burgers, 2 pork shoulders, 4 chickens, a 6 kg turkey, 10 beefsteaks or Ø36 cm pizza. This model lets you enjoy all the advantages of Kamado BONO grills as it is compatible with most of the grill accessories. Do you feel like smoking fish, baking bread or roasting meat? With your Kamado BONO it's as easy as pie.

A grill is provided with an essential accessory: multifunctional *Dual zone* cooking system that enables cooking several dishes simultaneously at different temperatures and on different height levels. Thanks to the semicircle "shelves" you can organise your cooking surfaces in a different way – for direct and indirect baking. The two-zone grill grates and a multi-level structure provides a wide variety of cooking possibilities and makes the cooking much simpler.

It is compatible with most accessories such as flat baking stone for a flat baking stone for a pizza, cast iron grates, o rottiserie.

The model BONO MEDIA is provided with base of wheels and bamboo trays. Available for sale in black and red with the following **accessories included:**
