Tips:

1. Due to differences of light effects, the actual color of the materials might be slightly different from the pictures.
2. Due to package compression for better shipment, the fabric may have wrinkles.
3. Please take all packages out and pat every part to make it rebound better and fluffy, so that it can restore to picture-like status.
4. Please keep children away from the plastic bags.

- 1.Repeatedly tap the sides and front and back to make it rebound better and fluffy.
- 2.Knead your cushion like giving your cushion a massage while allowing the air to flow through the foam.
