ASSEMBLY INSTRUCTIONS

537-953 Square End Table with Glass Top

1. Place Top upside-down on flat, non-marring surface.
2. Insert bolted end of one Top Post (A) into hole in corner of bottom of Top. Twist Top Post clockwise until tight. Repeat for other (3) Top Posts.
3. Position one Shelf so that holes in Shelf align with holes in bottom of Top Posts and so that bottom of Shelf is facing upward.
4. Insert bolted end of one Middle Post (B) through hole in Shelf and into hole in bottom of one of the Top Posts. Twist Middle Post clockwise until tight. Repeat for other (3) Middle Posts.
5. Position other Shelf so that holes in Shelf align with holes in bottom of Middle Posts and so that bottom of Shelf is facing upward.
6. Insert bolted end of one Foot through hole in Shelf and into hole in bottom of one of the Middle Posts. Twist Foot clockwise until tight. Repeat for other (3) Feet.
7. Return assembled table to its upright position and place in desired location.
8. With someone's help, carefully place Glass on table Top so that Glass is centered on Top.
