

Technical drawing of a 14x16 inch arched display case. The drawing shows the front view of the case, which has a semi-circular top and a flat base. The overall dimensions are 14 inches wide and 16 inches high. The base is 2 inches thick. The interior of the case is divided into four horizontal compartments by three shelves. The top compartment is 12 inches high, and the three lower compartments are each 3 inches high. The radius of the arch is indicated as R7" by a diagonal line from the center of the arch to the top edge of the case. The drawing uses dashed lines to indicate the internal structure and the overall dimensions.
