Parts Introduction

This product has multiple parts and may require up to some 30 minutes to assemble. To give you an overview of the product parts, the above picture is to help you put the various parts into perspective. Please read through the instructions below to familiarise yourself with the parts and steps before assembly.

Step 1

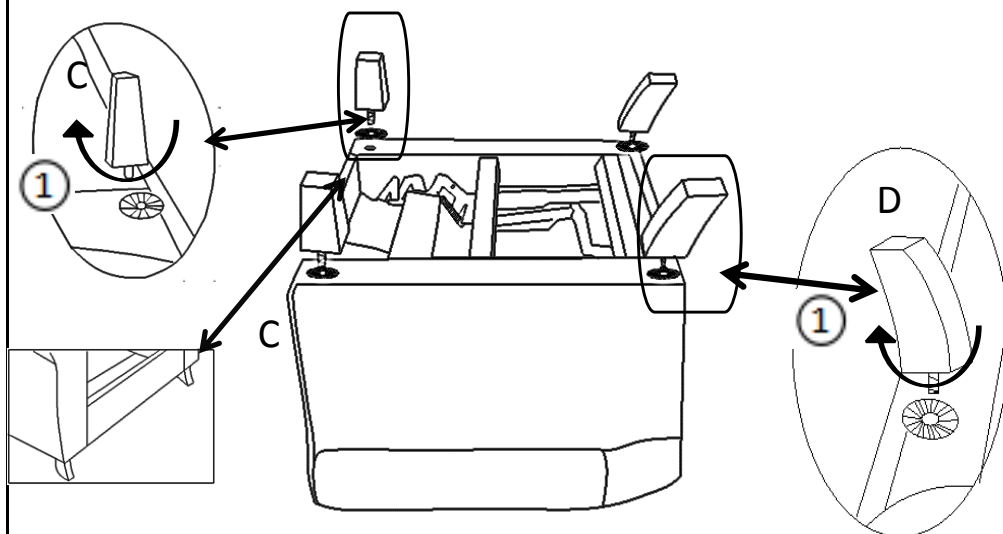

Take out the Backrest(A) from the Chair Base with Footrest(B).

Step 2

Place the Chair Base with Footrest(B) facedown on a clean,non-marring surface. Open the non-woven bag and take out the Front Legs(C), Hind Legs(D) and Gasket(①) .

Step 3

Install the Front Leg(C) and Hind Leg (D) at the bottom of the Chair by placing one Gasket(①) on the threaded stem. Then insert threaded stem into the mounting position at the corner of the Chair.

Tighten by turning the Leg clockwise.Do not over tighten.

Repeat the same process to install the remaining two Legs.

Take care of the shape of the Legs and ensure they in the correct positions.

Note: The use of Gaskets are OPTIONALand are especially useful to help alleviate slight wobbleness. Some Legs may need more than one gasket whilst some Legs may not need any.

Step 4

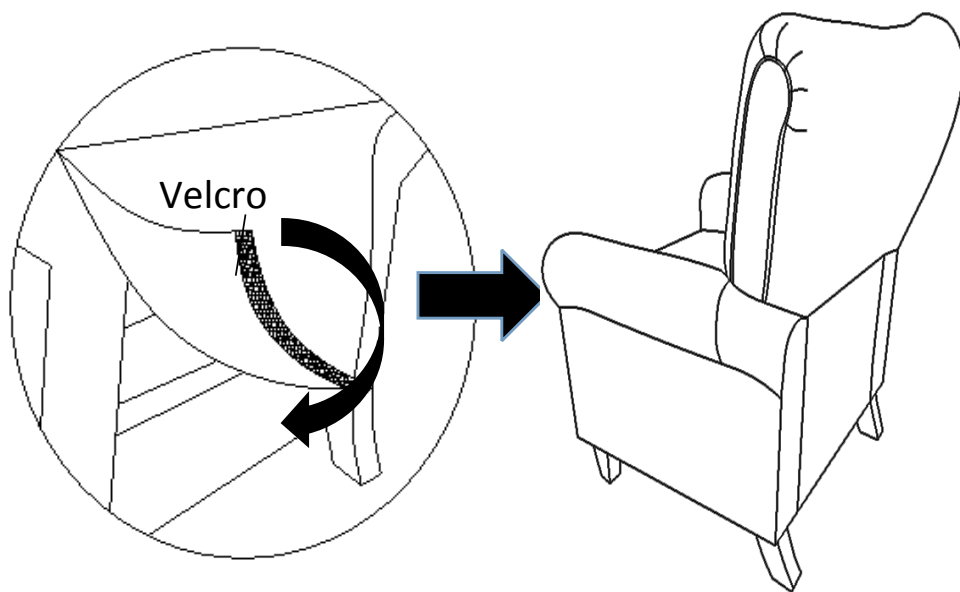

With assistance from your adult partner, hold up the Chair Backrest(A) while standing behind the Chair.

Insert the small metal arms on the sides of the Chair Backrest(A) into the prefabricated slide lock gadget on the Chair Base with Footrest(B) as shown above.

Firmly but gently, push the Chair Backrest(A) downwards until the Chair Backrest(A) is fully slotted and locked into position.

Step 5

Smooth down the fabric flap on the Chair Backrest(A).

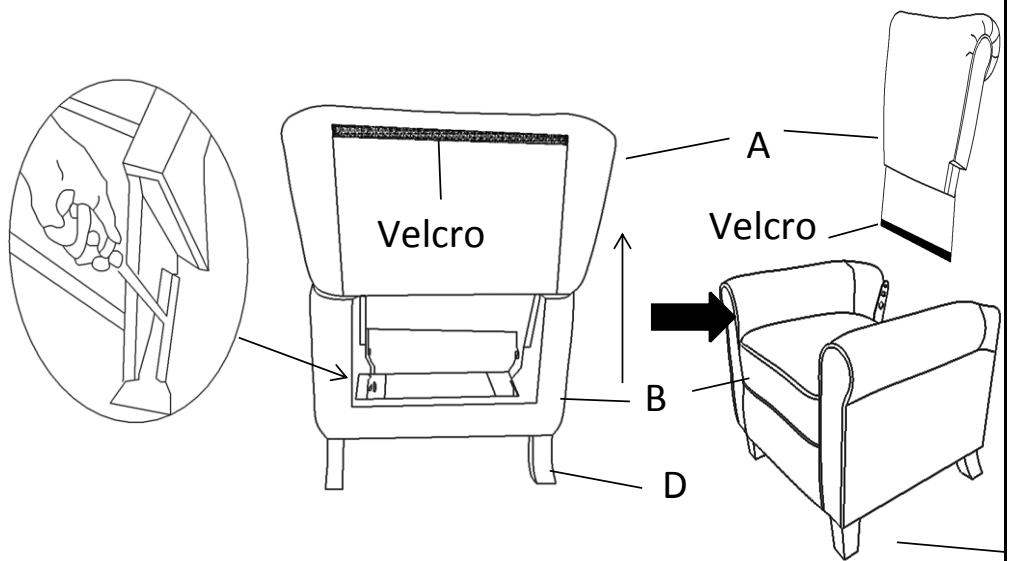

Run your hands down both sides of the flap, from top to bottom, allowing the velcro tape to adhere to the flap under the seat of the Chair.

Step 6

Make sure all parts are connected and securely locked into position.
Position Chair right side up and test for stability.
Your Chair is ready for use.
Caution: This Chair can only be used on a flat, level surface.

Step 7

Disassembly Note: open the flap on the Chair Backrest(A), use a screwdriver(Don not use fingers) pressing outward on the metal ear on the preattached Metal Bracket on one side of the Chair Base(B), with assistance of you adult partner to keep the Chair Base(B) in place, pull out the Chair Backrest(A) upward at the same time, repeat the same step for another side. Then the Chair Backrest(A) can be taken out.

What is Proposition 65?

Proposition 65 is a California law that requires warning labels on products that may contain one of more than 800-plus chemicals or ingredients that the California Office of Environmental Health Hazard Assessment (OEHHA) has deemed to cause cancer or other reproductive toxicity.

Chemicals and elements on this list include wood dust, brass, and other everyday substances, which can be found in very common household items, such as: lamps, tableware, jewelry, crystal glasses, electric cords, beauty products, automobiles, and furniture.

Why Did I Find a Proposition 65 Warning on My Home Goods Product?

We include Proposition 65 warnings on all of our products because there is always a chance that one of the 800-plus common chemicals and ingredients listed under this law could potentially be on our furniture or packing materials. We risk large fines under this law, if we don't include this warning.

Should I worry?

We realize you may be worried finding this warning on our products, but we want to reassure you that the hazardous exposure limits for any of these chemicals have never been found on furniture products that we've shipped to our customers. Additionally, this warning label is very common and can be found on almost every piece of furniture sold in the state of California.

Just How Common Are Proposition 65 Warnings?

Proposition 65 warnings have become so common in California that it is hard to take a trip to a local bank, grocery store, or restaurant without finding at least one warning. In fact, even the Disney Land Resort has a Proposition 65 warning:
