

尺寸：28cmX28cm

Installation

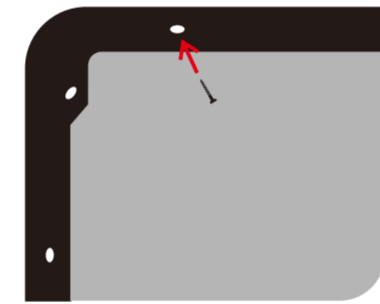

Step 1 →

- Remove your screen door and lay it down on a flat or any other hard surface.
- Separate the frames of the pet door.
- Place them on opposite sides of the screen, preferably in a lower corner.

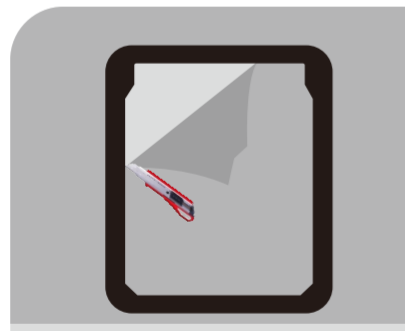

Step 2 →

- Align pins and hold tightly into the frames.
- Snap them by tapping or with a hammer whichever would make it totally together.
- Tighten the screws.

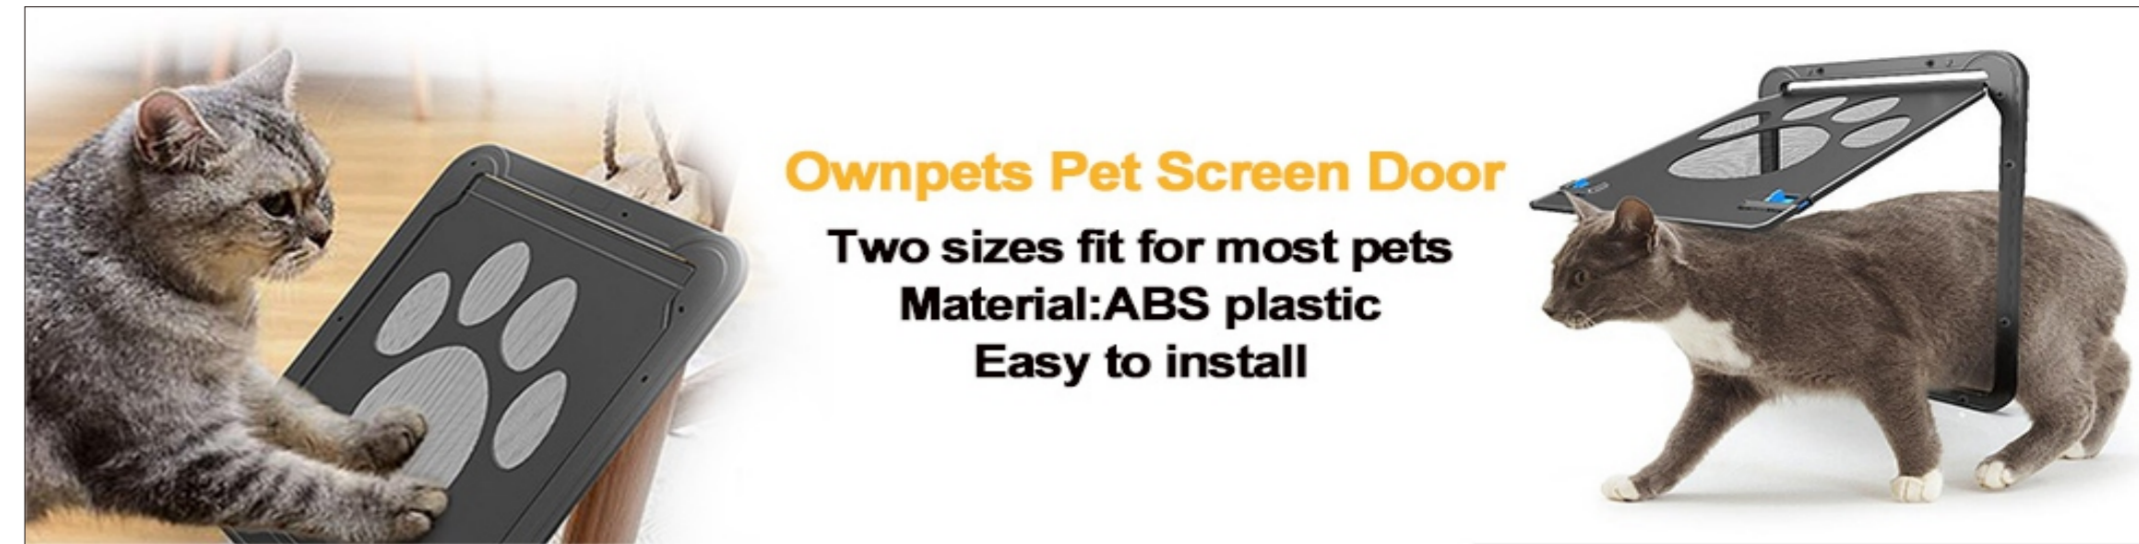

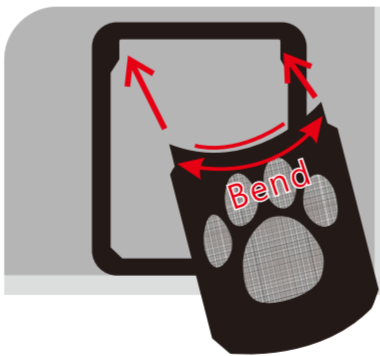

Step 3 →

Using a knife, cut off the screen follow the dog door.

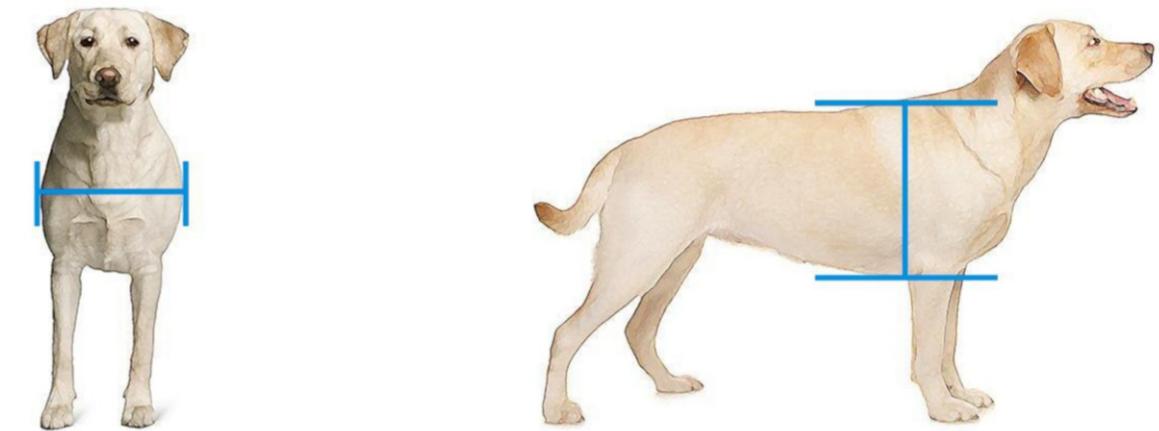

Step 4 →

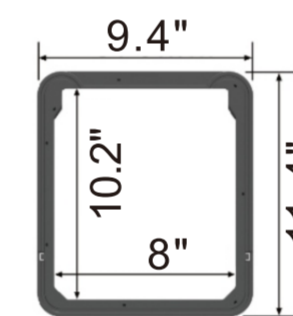

Bend the inner door, and put in. Finishing!

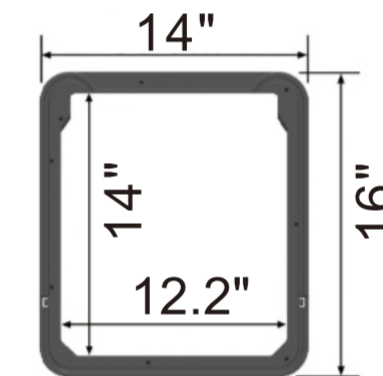

Please measuring your pet before install
