

Shoes Organizer Boxes Installation Instruction

1 The picture on the left is Blank Bottom Panel and the picture on the right is the Top Panel which has a Pattern design.

2 Install the Clear Side Panel on each side of the Blank Bottom Panel. (The Raise Pattern Design side should point towards the inside of the Blank Bottom Panel)

3 Install the Top Panel with Pattern Design. (The Bottom Panel with '前' and Top Panel with '前' should be aligned)

4 Install the Back Panel

5 Install the Front Panel Frame (The Downside with Screws)

6 Install the Clear Acrylic Window (The Magnets need to be aligned with the Screws on the bottom of Front Panel Frame)
