

JULIAN CHICHESTER

Hepburn Bedside

SKU 6326.VEL.000

A pretty, single drawered Vellum clad Bedside table with Rosewood legs and Aged Brass detail. The Hepburn Bedside by Julian Chichester has a top with scrolled sides, which supports a toughened glass top that rests above a Verre Eglomise insert. Vellum is a natural skin with no two pieces alike, therefore variation in shade and tone along with physical characteristics are inevitable and may change over time.
