installation instructions

Take a deep breath going in.
This is easy even if you are not
used to tools. Just follow these
steps to the T, and the
outcome will be
worth it!

step 1:

Place the shelf (A) against the wall and mark the points through keyholes.

step 2:

Use a spirit level to ensure that the points are marked in a straight line.

step 3:

Drill holes at the points you just marked.

step 4:

Using a hammer, insert wall plugs (C) inside the holes.

step 5:

Fix the screws (B) into the wall plugs (C). Use a screwdriver to make sure that they are secure.

step 6:

Hang the shelf by placing the keyhole hangers on top of the screws.

Voila! Your shelf is now installed and secure!
