

THEODORE ALEXANDER

Panos Cabinet

TA61257

A conversation piece for chic, eclectic spaces, the Panos Cabinet masterfully pays homage to its classic mid-century design inspiration. Lucite panel legs and stainless steel hardware sharply contrast the rich hand-painted ombre design of the body of the piece, and interior shelving assists in creating a contemporary amalgamation of style and practicality.

Dimensions:

W 52 x D 18 x H 32 in

W 132.1 x D 46 x H 81.3 cm
