

KOHLER® HydroRail®

Simple solution. Big impact.
Affordable update.

Customizable

Complete your space with your choice of Kohler hose, handshower, showerhead or rainhead.

Affordable

No need to alter or access your in-wall plumbing.

Adjustable

Functional column works as a slidebar to adjust height and angle.

Convenient

Conveniently located diverter on the column makes it simple to switch between showering components.

Moveable

Hose moves freely with angled elbow connection.

**Various HydroRail models available*
