

## *Furniture Care*

To prolong the life of your furniture follow the instructions below

To prevent overall soiling, frequent vacuuming or light brushing to remove dust and grime is recommended.

### **TIPS:**

- Hot water extraction or steam cleaning is not a recommended cleaning method.
- When cleaning a spill, blot immediately to remove spilled material.
- Clean spots or stains from the outside to the middle of the affected area to prevent circling.
- Reference the cleaning code guide for proper cleaning instructions.

### **CAUTION:**

- Cushion casings should not be removed and laundered or dry cleaned. Never remove the cushion covers for separate cleaning and washing even though they have zippers.
- Do not use any tumble method of cleaning service as this may destroy the backing of the fabric and shrink otherwise damaging the upholstery fabric.
