Product Features

Style: Modern/Industrial

Material: Metal

Color: Red

Base Type: E26

Light Source Included: NO

Voltage: 120VAC

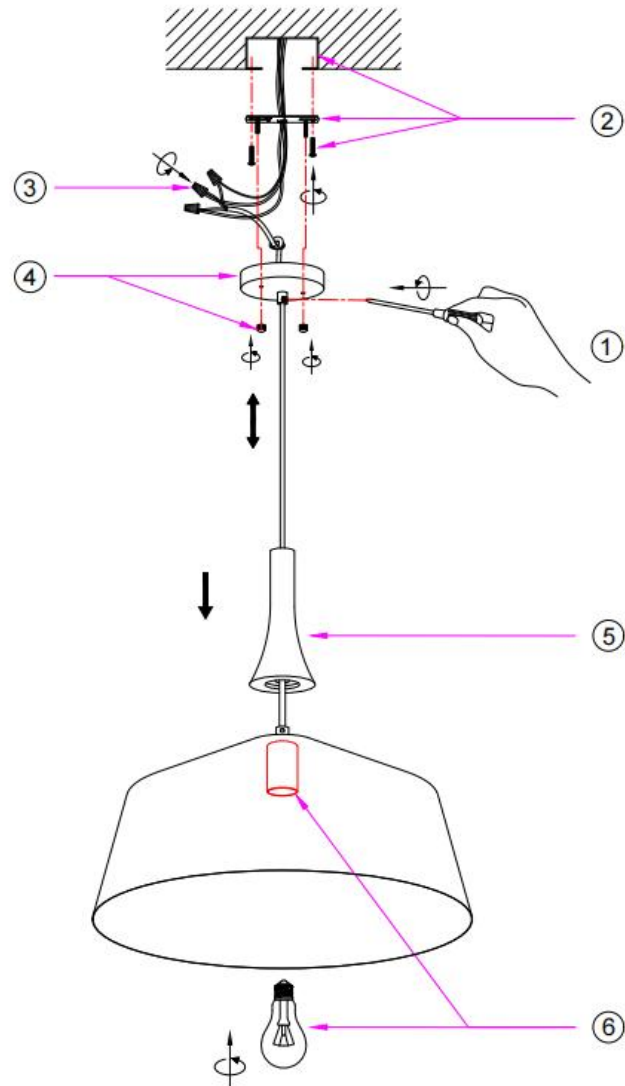

Wattage: 60W

Package includes

1 x Pendant Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

1. Loosen the screw inside the wire holder to adjust the height of the wire, then adjust the height of the 8-shaped buckle on the wire, and finally tighten the screw to secure the wire at the desired height.
2. Attach the mounting plate to the electrical junction box using supplied mounting screws.
3. Connect the main wire (live wire and neutral wire) and ground wire to the corresponding reserved wires in the junction box by using the wiring caps. Be careful not to expose the wire to prevent leakage.
4. Place the canopy onto the mounting plate and tighten the cap nut to fix the canopy in place.
5. Gently place the stone on top of the lampshade (note: the stone is fragile).
6. Install the light bulb into the lamp socket (bulb not included).
7. Turn on the power to check if the light bulb is working properly.

Installation complete.

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
