

PRODUCT FEATURES

- Catena blends exquisite crystal elegance with cutting-edge LED technology. The pivot joint of the modules have hidden hardware, creating a screwless pivot affect.
- Predetermined length options allow for easy ordering with virtually unlimited versatility. Contact factory for custom configurations.
- Each crystal element refracts light to create a dazzling visual display. When not illuminated, the crystal reveals its true clarity—pure, see-through elegance that captures light.
- This item is made of natural brass. It is a living finish that will patina and warm with age which adds richness. If it gets an uneven patina or spots, a brass cleaner can restore the finish
- Modern finishes available
